6. S-PR-0014225 In re the Conservatorship of Evangelho, Kelly

Appearance is required for continued hearing on amended petition for appointment of conservator of the person and estate.

Missing citation for amended petition. Missing 15 days' personal service of citation with copy of the amended petition to proposed conservatee. Amended petition requires complete re-noticing. C.R.C. 7.53.

Missing notice of hearing for amended petition. Missing 15 days' service of notice of hearing with copy of the amended petition to all 2d-degree relatives of proposed conservatee. Amended petition requires complete re-noticing.

Missing sufficient grounds for requested waiver of bond. Petitioner alleges conservatee has an estate sufficient to require bond. The estate does not qualify for small-estate waiver of bond.

Missing sufficient grounds for any Attachment 1d orders under Prob.C. §§ 2590–2591. Good cause must be shown for each requested § 2591 order. Petitioner offers no good cause showing for any requested order. For example, it appears unlikely that a conservator would need authority to encumber real property, to grant options, to compromise claims, to lend money, or to operate a business.

Missing sufficient grounds for any Attachment 1e orders under Prob.C. § 1873 or 1901. Under § 1872, all conservatee are restricted from actions which would bind or obligate the estate. § 1873 orders are intended to clarify, modify, or waive that restriction. Petitioner offers no basis to modify the automatic § 1872 orders. Prob.C. § 1901 relates to conservatee's powers to enter into marriage or registered domestic partnership, which is not addressed by petitioner.

Missing any need for Attachment 1f orders relating to Prob.C. § 2352. Petitioner has not shown any need to modify the powers automatically granted under § 2352 concerning conservator's power to fix conservatee's residence.

Missing any need for § 2355 orders. Medical decisional authority is requested under §§ 1g and 9 and is automatically granted if lack of capacity is found. Petitioner does not propose any modification to the orders that would be granted upon such a showing.

Missing appearance / response by court-appointed counsel for proposed conservatee.

10. S-PR-0014312 In Re the Conservatorship of Wolf-Stahl, Stuart L.

Appearance is required for hearing on petition for appointment of joint limited conservators of the person and estate.

Missing sufficient bond calculation. Requested bond is insufficient under C.R.C. 7.207. Petitioners fail to estimate probable annual income. On the allegations of ¶ 3e, bond of at least \$143,000 is required. Clarification is also required as to statement provided in supplemental information that proposed conservatee "has no meaningful financial resources." This appears to directly contradict the allegations at ¶ 3e.

Missing sufficient specificity as to requested limited estate powers. General estate management is not available to limited conservators of the estate. Each property to be marshaled, each debt to be paid, each contract conservators will enter into, etc., must be identified in the petition and order "specifically and expressly." See Prob.C. §§ 1830(b) & 2401; see also § 2405.

Missing appointment of counsel for proposed conservatee. Missing appearance / response by appointed counsel.

Missing report by Alta California Regional Center.

Missing citation for amended petition. Amended petition requires complete re-noticing, including service of an appropriate citation. C.R.C. 7.53. Missing 15 days' personal service of citation with copy of amended petition to proposed conservatee.

Missing 15 days' service of notice of hearing with copy of amended petition to all second-degree relatives of proposed conservatee. Amended petition requires complete re-noticing. Missing 30 days' service of notice of hearing with copy of the amended petition to Alta California Regional Center.

Missing relationship(s) of persons listed in ¶ 11 to proposed conservatee. Missing identification of any grandparents in ¶ 11.

Missing sufficient specificity as to requested limited estate powers. General estate management is not available to limited conservators of the estate. Each property to be marshaled, each debt to be paid, each contract conservators will enter into, etc., must be identified in the petition and order "specifically and expressly." See Prob.C. §§ 1830(b) & 2401; see also § 2405. The petition alleges there are no assets or income, suggesting estate powers are not needed.

Missing appointment of counsel for proposed conservatee. Missing appearance / response of court-appointed counsel.
