**1. S-PR-0011354 In Re the Estate of Nielsen, David**

Petition for final distribution is recommended for approval as prayed.  
Status hearing scheduled August 24, 2026, to be dropped from calendar.

**2. S-PR-0011400 In Re the Putnam Fam Trust**

Appearance is required for continued hearing on ex parte application to suspend / remove trustee, compel delivery of records, and compel account.

**3. S-PR-0012430 In Re the Estate of Sheehan, Laura Angelina DiNapoli**

Appearance is required for hearing on petition for dismissal and approval of final account.

The substance of the petition is administrator's resignation. Administrator is entitled to resign. Prob.C. § 8520. As required by Prob.C. §§ 10952 & 8525, the petition also includes administrator's final account. Any appointment of a successor requires an appropriate petition. Prob.C. § 8522. No orders to address estate assets under Prob.C. § 8523 are appropriate or needed because the only asset marshaled by administrator was lost to foreclosure. Whether a successor administrator may marshal assets in the future is not before the court.

Because administrator elects to resign, there is no factual or legal basis to instruct administrator in the discharge of the duties of office.

Objector admits no assets other than that reflected in the account have been marshaled by administrator. Accordingly, the objections do not show any infirmity in administrator's final account.

It is therefore recommended the court accept administrator's resignation and approve the account.

**8. S-PR-0013576 In Re the Farnworth Fam Trust**

Appearance is required for continued hearing on petition to approve trustee 1st and 2d accounts.

Missing notice of hearing. Missing proof of service of notice of hearing.

Note: there appears to be omitted text at page 1, line 27.

1st trustee account:

(i) Missing summary of account (Prob.C. § 1061(a)).

(ii) Account incorrectly schedules transfers between accounts as charges (receipts); transfers between accounts are neither charges nor credits and should be shown in a supplemental schedule of change in form of assets; revision is needed.

(iii) Account incorrectly schedules "change in value" of securities account as charges (receipts); Prob.C. § 1060 accounts are carry-value accounts; changes in market value are not to be scheduled except as gains / losses upon sale, or in other unusual circumstances; revision is needed.

(iv) Account incorrectly schedules transfers between accounts as credits (disbursements); transfers between accounts are neither charges nor credits and should be shown in a supplemental schedule of change in form of assets; revision is needed.

(v) Clarification is needed as to 5-21-2018 withdrawal of \$16,800; this appears to be a beneficiary distribution, not a disbursement, and should be scheduled in a distribution schedule (see Prob.C. § 1062(e); compare § 15062(b)).

2d trustee account:

(i) Missing summary of account (Prob.C. § 1061(a)).

(ii) Beginning property on hand conflicts with 1st account closing property on hand by more than \$100,000 without explanation; revision is needed.

(iii) Clarification is needed: closing property on hand schedule shows two cash accounts and investment account with whole-dollar balances, which is unlikely to be accurate.

(iv) Account is out of balance by more than \$19,500 without explanation; revision is needed.

(vi) Real property carry value was modified without explanation; trustee cannot change carry value without scheduling gain / loss on sale or other action establishing a reasonable basis for the change in carry value (including how, when, and for what reason carry value was modified; revision is needed.

**9. S-PR-0013629 In Re the Estate of Williams, Delores L.**

Appearance is required for hearing on petition for final distribution.

Court determination is needed as to request to distribute a portion of the estate contrary to the will. Missing legal points and authorities to support the requested distribution.

**10. S-PR-0013916 In Re the Estate of Rope, Bright**

Appearance is required for hearing on amended petition to determine succession to primary residence.

Missing notice of hearing for amended petition. Missing proof of service of notice of hearing. C.R.C. 7.53 requires full re-noticing for the amended petition.

Clarification / additional allegations are needed. The original petition alleged decedent was survived by two children, each of whom is a successor to the property. That was consistent with the verified allegations in S-PR-0013857, *Estate of Rope*, which also establishes that decedent was survived by two children. Petitioner does not succeed to the entirety of the residence through intestacy where decedent died with two surviving children.

Missing Attachment 6b (consent by personal representative). Note: petitioner appears to be the estate personal representative appointed in S-PR-0013857, *Estate of Rope*.

**11. S-PR-0013927 In Re the Estate of Salmonson, Grant William**

Appearance is required for continued hearing on spousal property petition.

Clarification is needed: the property described in Attachment 7a must only decedent's property interests passing to the surviving spouse (see §§ 1a & 7a; compare §§ 1b & 7b). Petitioner argues that the subject property is community property; accordingly, Attachment 7a may include no more than decedent's undivided 1/2 community interest in the subject property. Any request to confirm surviving spouse's share of community property may be requested only through §§ 1b / 7b.

**12. S-PR-0013928 In Re the Stewart Irrev Trust**

Petition to compel trustee account and for other relief

Appearance is required for continued hearing on petition to compel trustee account and for other relief.

Motion to permit service by mail in lieu of personal service

Appearance is required for hearing on motion to permit service by mail in lieu of personal service.

**13. S-PR-0013933 In Re the Estate of Forcier, Dawn**

Appearance is required for continued hearing on petition to administer estate.  
Petitioner's response is needed: a purported will of decedent was lodged with the court March 20, 2026.

Missing proof of publication of notice of hearing for petition to administer estate.

Note: petitioner appears to have requested dismissal of the action. The clerk will not ordinarily process a dismiss where letters—here, letters of special administration—have been issued. Grounds to dismiss are needed.

**14. S-PR-0014072 In Re the Estate of Wong, Robert Gary**

Appearance is required for hearing on spousal property petition. Note: remote appearances may be scheduled through the court's website; contact the Civil department for more information.

Missing notice of hearing. Missing service of notice of hearing to Christine Wong and Dennis Lee.

Missing required allegations of testacy or intestacy of decedent (¶ 4c). If decedent died testate, missing copy of decedent's will attached to the petition.

The attachments to the petition fail to be identified as required Attachments 7 and 7b (see ¶¶ 7 and 7b of the petition).

Relief in the petition is limited to requesting confirmation of the community property interest of surviving spouse. See ¶ 1b. Such relief does not include a determination of any community, quasi-community, or separate property interest of decedent passing to survivor. Compare ¶ 1a. If relief were to be granted, it would be limited to confirming survivor's 1/2 community interest in property.

The petition presents confusing allegations concerning the assets at issue in this proceeding, including the apparent allegation that funds were removed from certain IRAs, used to purchase certain annuities, and then were returned to said IRAs. The financial statements presented by petitioner do not appear to show either removal of funds from or later restoration of funds to the IRAs. Additional allegations are needed concerning all accounts described in the petition, including whether any accounts have pay-on-death beneficiaries.

Petitioner was notified of the revised court date by an order filed June 3. Missing any notice for the rescheduled August 3 date. Additionally, amended petition requires complete re-noticing (including new publication) and each notice must state the complete name of the petition (here, including "amended"). C.R.C. 7.50 & 7.53.

This is not a petition for special administration. The only prayer for appointment is as administrator. See petition caption and ¶¶ 2b(4) & 3g(3).

Clarification is needed: petitioner alleges decedent was survived by a spouse. Missing identification of any surviving spouse in ¶ 8.

Missing required allegations at ¶ 5a(7)–(9) (issue of predeceased children).

Missing relationship of petitioner to decedent (¶ 3g(2)(c)) and missing any nomination for petitioner to serve as personal representative.
