Substantial revisions to personal representative account are needed, as follows: opening estate information in the account conflicts with the inventory and appraisal without explanation;

- missing opening property on hand schedule;
- missing date-of-death values for all assets, as required for I&A; summary of account states that at least Chase and Schwab account values are from March 2025; account must begin with date-of-death values for all assets;
- Schedules B & D are erroneous—schedules are required for each category of charges and each category of credits; Schedules B & D, as filed, do not identify any category of charges or credits and include incomprehensible information that does not correspond to any part of the summary of account;
- Schedule C is erroneous—transfers between accounts are neither charges nor credits; a supplemental schedule of transfers between accounts may not report gains or losses on disposition of assets; Schedule C as filed purports to show transfers, gains, and disbursements (fees) in the same schedule;
- missing any schedule for gains on disposition of assets; both Schedules C and A refer to gains on sale with no information required in a gains-on-sale schedule;
