

Missing service of notice of confirmation hearing to buyer T Hussein.

Clarification is needed as to division of broker commissions (¶ 5d). The petition fails to identify which broker is to receive what portion of the sale price.

Clarification is needed: ¶ 3a alleges DOD value of \$460,000, directly contradicting the I&A filed 7-10-2015.

1st overbid appears to be incorrectly calculated. Using sale price information alleged in the complaint, first overbid is \$483,500.00.

In the event that the calendar notes are addressed to the court's satisfaction and the confirmation of sale proceeds, it is requested any bidders who attend the hearing check in with the clerk in advance, if feasible.

14. S-PR-0013282 In Re the Estate of Poroshin, William Delmer James

Clarification is needed: this appears to be a non-cash estate. Clarification is needed as to how attorney fees are to be paid. The court ordinarily will not order fees from a non-cash estate with a means for the fees to be paid or collected.
