

**PLACER COUNTY SUPERIOR COURT
FRIDAY, TAHOE DIVISION LAW AND MOTION
DEPARTMENT 14
COMMISSIONER CHRISTINE S. DEHR
TENTATIVE RULINGS FOR MAY 29, 2026 AT 8:30 A.M.**

1. S-CV-0050336 BAL, GURMAN v. AMERIO, ASHLEY

Ruling on Request for Judicial Notice

Defendant's request for judicial notice is granted as to Exhibits A, B, C, and D. (Evidence Code section 452.)

Ruling on Motion

The motion is granted.

Defendant seeks to recover \$49,342.50 in attorneys' fees along with \$814.68 in costs incurred after prevailing on appeal. The prevailing party after bringing a successful anti-SLAPP motion is entitled to reasonable attorney's fees and costs, which includes those incurred on appeal. (*Dowling v. Zimmerman* (2001) 85 Cal.App.4th 1400, 1426.) The court has carefully considered the number of hours expended by counsel in relation to the appeal along with the hourly rates for comparable appellate work. The court finds that both the hourly rates and hours expended are reasonable. The court has also carefully considered the request for costs and determines the amount is reasonable as well.

Thusly, the motion is granted in its entirety. The court finds defendant to be the prevailing party on appeal entitled to attorneys' fees and costs. The court orders attorneys' fees on appeal in the amount of \$49,342.50 and costs on appeal in the amount \$814.68 for a total award of \$50,157.18.
