

The petition does not appear to adequately distinguish between Melanie Hirsch; Melanie Hirsch, cotrustee; Melanie Hirsch, president of THD Enterprises, Inc.; and THD Enterprises Inc. itself. For example, the sale contract and promissory note were entered into between trustee Andrew Bauer and THD Enterprises, Inc.; it does not appear Hirsch individually is a party to either agreement.

Status of mediation / settlement is needed.

8. S-PR-0013366 In Re the Estate of Slaughter, Christina P.

The estate is not in a condition to be closed: creditor claim by Renown Health remains outstanding. Executors have not rejected the claim and Renown Health has not deemed it rejected. Although executors argue the creditor actually asserts no claim, the claim must be addressed as filed.

The estate has insufficient cash resources to pay requested attorney fees with no explanation for how fees are to be paid. The court ordinarily will not approve attorney fees when there are insufficient assets to pay requested fees.

9. S-PR-0013394 In Re the Estate of DeRee, Patricia M.

Inventory and appraisal includes assets not on hand at the date of decedent's death (advances by petitioner to the estate), without explanation.

Ordinary personal representative fees are incorrectly calculated. After adjusting the I&A total (see above), ordinary fees are \$14,439.75, assuming no receipts, gains, or losses. Any waiver of all or a portion of ordinary fees should be explicit.

Clarification is needed: property on hand omits virtually all assets inventoried and appraised, including a vehicle, the piano, and real property, without explanation. Sale of real property and any other actions taken under the IAEA are to be reported in the petition. C.R.C. 7.250.

10. S-PR-0013418 In Re the Estate of Hiebert, Kurt Alan

11. S-PR-0013652 In Re the Shickle Fam Trust
