CASE #	CASE NAME	HEARING NAME
CVME2600831	GASTEIGER VS CHEF'S GRILLE	DEMURRER

Tentative Ruling: Demurrer continued to October 26, 2026 8:30 am M301 for failure to adequately meet and confer. CCP § 430.41(a) requires that before filing a demurrer, the moving party must meet and confer in person, by telephone, or video conference with the party who filed the pleading that is subject to the demurrer. The moving party is required to file a declaration with his or her motion indicating that a meet and confer occurred, or that the moving party made a good faith attempt to meet and confer and received no response from the other party. (CCP § 430.41(a)(3).) Defendant has provided a declaration. However, this declaration indicates that a meet and confer occurred only by email. (Declaration of Jeffrey G. Jacobs, ¶¶ 4.) This is not code compliant. Therefore, the Demurrer will be continued. Defendant is ordered to meet and confer with plaintiff over the telephone, by video conference, or in person, for the purpose of determining whether an agreement can be reached that would resolve the objections asserted in the demurrer. After the meet and confer has occurred and ten days before the new hearing date, defendant shall either:

[1] Vacate the hearing and file an answer;

[2] File with the court a declaration stating that the parties have agreed that plaintiff will file an amended pleading before the hearing; or

[3] File with the court a declaration stating the means by which the parties met and conferred and identify the specific objections in the motions that the parties were unable to resolve.

The court will not allow any further briefing.
