CASE #	CASE NAME	HEARING NAME
CVRI2507356	NAVARRETE VS FORD MOTOR COMPANY	MOTION TO BE RELIEVED AS COUNSEL FOR VERONICA NAVARRETE

Tentative Ruling:

After reviewing the declaration of counsel (CRC 3.1362(d)), the court finds that counsel has shown sufficient reasons why the motion to be relieved as counsel should be granted (Manfredi & Levine vs. Superior Court (Barles) (1998) 66 Cal. App. 4th 1128, 1134).

Notice to client was made (Section 3(a) and (b) MC-052; CRC 3.1362(d)). Accordingly, the Motion to be Relieved as Counsel of Record is Granted. Counsel is relieved as counsel of record for client **effective upon the filing of the proof of service** of the signed order upon the client and all parties that have appeared in the action. Order submitted to the court has been signed and filed by the court clerk.

CASE #	CASE NAME	HEARING NAME
CVRI2507415	ARAKELIAN VS FCA US LLC	MOTION TO COMPEL INITIAL DISCLOSURES PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE 871.26

Tentative Ruling:

Moving party: Plaintiffs Alexander Arakelian and Healthcare Solution Center Inc.
Responding party: Defendant FCA US LLC

Plaintiffs Alexander Arakelian and Healthcare Solution Center Inc. brings this Song-Beverly action against Defendant FCA US LLC ("Defendant") regarding a 2021 Jeep Cherokee with transmission, engine, and electrical defects. The operative first amended complaint ("FAC"), filed 8/26/25, asserts: (1) Civ. Code § 1793.2(d); (2) Civ. Code § 1793.2(b); (3) Civ. Code § 1793.2(a)(3); (4) breach of implied warranty; (5) negligent repair (against DCH Chrysler Dodge Jeep Ram Fiat of Temecula); and (6) fraudulent inducement-concealment.

Plaintiffs now move to compel Defendant's compliance with the initial-disclosure requirements of CCP §871.26 and seek \$2,500 in sanctions. Plaintiffs argue that Defendant's demurrer was served on 3/20/26 and that Defendant had until 5/19/26 to produce documents. Plaintiffs assert that Defendant did not produce warranty transaction records, service bulletins, field actions, recall records, service manuals, among other VIN-specific records. Plaintiffs also assert that Defendant did not provide verified disclosures.

In opposition, Defendant states that it timely produced over 683 pages of non-confidential materials on 3/31/26, and 1,343 pages of confidential materials on 6/5/26
