**Department R12 - Judge Kory Mathewson**

**Rigo Hernandez v. General Motors, LLC – CIVRS2503491**

Motion: Attorneys fees and costs

Movant: Plaintiff, Rigo Hernandez

Respondent: Defendant, General Motors (No Opposition)

Ruling: Attorneys fees and costs GRANTED in the total amount of \$24,109.46

**Plaintiff to provide Order and give notice.**

---

The motion is unopposed by Defendant. The Court grants Plaintiffs motion for attorneys fees and costs in the amount of \$24,109.46

Plaintiff seeks \$22,262.00 in lodestar attorneys fees and \$1,847.46 in costs. The Court finds the costs reasonable after reviewing Danna Declaration and Exhs. A-D. Plaintiff further estimated an additional 4 hours for reviewing the anticipated opposition and another 2 hours for drafting a reply for an additional \$3,090 and an additional 2 hours, \$1,030, responding to a motion to tax costs. No opposition was filed, nor a motion to tax costs, thus the additional requested amounts were never incurred, and are therefore denied. Plaintiff also seeks a multiplier of .2 based on delay of payment and results obtained. The Court denies the multiplier as the time from filing to settlement was 6 months, which by most measures is speedy. Also, the results obtained are expected as GM repurchased the vehicle in the same period of time.
