5	19PR-0059	Estate of: Debra Jones	Order to Show Cause re Dismissal	CONTINUED LIST. <i>The Petition is continued to September 18, 2026 at 9:00 am. in P-2. All additional items must be filed by August 21, 2026. It is noted that the Declaration filed June 2, 2026 indicates that the Administrator anticipates the terms of the settlement to be completed by September 1, 2026.</i>
6	24PR-0212	Guardianship of: Luke Stanton	Order to Show Cause re Dismissal	DISMISSED LIST: <i>It is recommended the Petition be dismissed. Nothing has been filed in five hearings (October 11, 2024, February 28, 2025, June 20, 2025, September 19, 2025 and February 27, 2026). The following issues remain:</i> <i>1. Proof of service of Notice of Hearing has not been provided on the relatives to the second degree as required by Probate Code section 1811. Notice should be provided to the children over 12 and the grandparents listed in the petition.</i> <i>2. Section 1.c. (2) or (3) must be completed regarding how the funds will be secured, by either a bond or a blocked account.</i>

				3. <i>Section 7 of the Petition is blank. The Petition does not disclose the sum at issue or the entity holding the insurance policy. A supplement is needed.</i> 4. <i>It is recommended the Petitioner seek legal advice regarding the plans disclosed for the use of the funds. The items noted to the Court Investigator are not investments normally allowed without a special Petition and Court Order.</i> 5. <i>Signed Duties and Liabilities have not been filed.</i> 6. <i>A proposed order is not lodged.</i> 7. <i>Proposed Letters are not lodged.</i>
15	26PR-0136	In Re: Dane Bodily	Minors Compromise Filed 04/21/2026	CONTINUED LIST. <i>The Petition is continued to October 23, 2026 at 9:00 am. In P-2. All additional items must be filed by September 24, 2026. The following is noted:</i> 1. <i>Attachment 12b(5)(a)(i) to the Petition is described as a “no lien” letter from Carelon. The attached letter does not indicate that there are no liens. Rather, the letter indicates that lien information will be provided as it becomes available. Clarification is needed.</i> 2. <i>Additional information is needed as to the costs charged listed in Item 13b. of the Petition. The “Minor’s Comp Filing Fees” of \$600 appear to be excessive based on the limited filings in the case. The amount should be \$435 plus the filing provider fees which would be \$440.94. Additionally, it is unclear what the “Court Call Hearing Costs” represent, as this court utilizes</i>

				<i>Zoom for remote appearances. Clarification is needed.</i> <i>Item 23 of the Petition is incomplete. It is unclear if all the intended attachments are included.</i> <i>A proposed Order approving the Petition is needed. (JC Form MC-351)</i> <i>An Order to Deposit Funds in Blocked Account is needed. (JC Form MC-355)</i> <i>At the next hearing, the minor and Petitioner should appear via Zoom or in person for examination under California Rules of Court, rule 7.952.</i>

Cont'd 2/27/26	<i>HEARING LIST: Zoom or personal appearance is needed. It is noted that Petitioner on the 850 Petition has submitted an Amended Petition as of 10:21 a.m. on February 26, 2026. An Objection to the original version of the Petition had been filed as of January 27, 2026. At the hearing on February 27th, the Objector to this Petition indicated they would not stipulate to the Amended Petition. It is unclear if the Amended Petition has been abandoned.</i> <i>1. A Notice of Hearing was filed on February 26, 2026, as to the Amended Petition to Determine Claim to Property using mandatory Judicial Council form DE-115. There is no proof of service completed on the form for any of the parties to be noticed under Probate Code section 851. Service on the original Petition is also incomplete, as other parties required under Probate Code section 851 have not been identified and served (See below). Clarification is needed on which Petition is moving forward, if a Motion will be filed, and when notice can be perfected.</i> <i>2. Based on the file, which was consolidated with the UD Action, another tenant was living on the property in question and paying rent. Proof of</i>

				<i>service of Notice of Hearing on Petition to Determine Claim to Property may be needed under Probate Code section 851 subsection (a) to a party in possession of the property.</i> <i>3. The Amended Petition does not identify the financial institution for assets taken with specificity as required by Probate Code section 850, making it unclear what is requested and who should be noticed. What financial institution(s) were allegedly involved? The Court cannot confirm notice is accurate until additional information on that portion of the request is provided. The issues in this Petition are NOT resolved for trial on the same date.</i>

On the November 18, 2025 proof of service of Notice of Hearing, item 4.a. and b. regarding the date and place of service are not complete. This is only on the notice to Mr. Hernandez and Ms. Becchio. 				were taken to locate Mr. Hernandez for proper service? 3. <i>Who is Julie Nickel, as she is listed in the Advanced Health Care Directive, and discussed briefly in the Petition, but the Petition does not explain who she is or what efforts were taken to determine her identity. Paragraph 17 of the Petition does not offer any resolution to the issue.</i> 4. <i>If the Petition is approved, bond is recommended to remain at \$939,000. The Petitioner is not named in the Trust and bond is only waived for Trustees “named in the Declaration of Trust”. (See Trust Part 6, G.) The following issues remain from the last hearing: 1. <i>Proof of service of the Citation was not located.</i> 2. <i>The Capacity Declaration was not located.</i> 3. <i>The following items are noted from the Petition.</i> a. <i>Item 1.L, attachment 1.L, requests the Court allow the Petitioners to act independently as co-conservators. This is contrary to Probate Code section 2105 subsection (c)(1), which requires two people serving as co-conservators to act unanimously. This is recommended for denial.</i>

				<i>b. Under the Powers, item 1.h, attachment 1.h requests the Court to grant the power to the co-conservatees to withhold the right of the proposed conservatee as to the right to marry. A conservatee, if a conservatorship is granted, is presumed to have the capacity to marry under Probate Code section 1900. Additional evidence is needed to support this request. There is a rebuttable presumption affecting the burden of proof that the conservatee has the capacity to marry or enter a registered domestic partnership. (See Prob. Code §810(a).) A determination that a person lacks the capacity to marry must be based on evidence of a deficit in one or more of the person's mental functions. Prob C §811(a). Evidence of a correlation between the deficit or deficits and the decision to marry must be shown. (Prob. Code §811(b).) The Tri-Counties Regional Center Report also does not support this request.</i> <i>4. A proposed Order is needed.</i> <i>5. Proposed letters are needed.</i> <i>6.
