Flores Will and Trust dated November 9, 1967 | Order to Show Cause re Dismissal Petition Filed 5/13/2025 - to Replace and Appoint Trustee; cont'd 11/04/25 & 1/13/26 | <p>DISMISSED LIST. <i>It is recommended the matter be dismissed based on the representation made by counsel at the last hearing on January 13, 2026. If Petitioner wishes to pursue the Petition, they should appear at the hearing. The following is noted as issues that are still outstanding.</i></p> <ol style="list-style-type: none"> <li><i>1. The document attached to the Petition is a will, with a testamentary trust creation incorporated upon death. Was this will ever probated? Was the testamentary Trust created by a Court? The order creating the testamentary trust is needed for review as part of his Petition. This likely should be an Order for Final Distribution. All that presented to this Court at this time is a copy of the Will. If the Testamentary Trust was created in Kings County, it is unclear if this County is the proper venue. See Probate Code section 17300.</i></li> <li><i>2. Due to the missing Testamentary Trust, the Court cannot determine if notice has been met. It is noted</i></li> </ol> |

It appears from the Corrected Reappraisal for Sale Inventory and Appraisal filed on 6/6/22, that a 25% interest in the real property was valued at \$212,500. A Final Inventory and Appraisal was filed on 10/10/23, containing one bank account valued at \$207,790.86. The Petition does not contain any language regarding sale of the real property, nor does it contain a schedule of losses and gains. The file reflects a sale was approved on June 16, 2022 for a price of \$222,500. The ownership interested on the date of death is what is appraised and listed in the Inventory. The October 23, 2024 Final Inventory does not appear to be accurate. Clarification is needed as to the value of the estate before statutory fees can be calculated.</i></p> <p><i>c.
