<u>The following matters are OFF CALENDAR/ DISMISSED/ TERMINATED or CONTINUED:</u>				
1	20PR-0055	Estate of: Maria Chavez	Petition Filed 7/30/2025 - First Accounting; Cont'd 3/13/26	CONTINUED LIST: <i>The matter is continued to October 16, 2026 at 9:00 a.m. in P2. All additional materials must be filed by September 24, 2026. The following is noted.</i> <i>1. The July 17th First Supplement is an amendment to the Petition, as it modified the original account, offered material facts explaining the bank statements and rental payments. As such, this document should have been served on Ramon Ramos using the DE-120 form. The March 18th form does not cite the July 17th Supplement (aka Amendment to the Petition). (Cal. Rules of Court, rule 7.53.) A continuance is needed.</i> <i>2. Attorney Fees. The attorney now requests fees of \$3,150.00 and \$463.95 in costs. These are recommended for approval based on the totality of the matter and the hourly rate charged by the Petitioner, despite the need for the supplement.</i> <i>3. The Second Account, for the period of June 27, 2025 to June 26, 2027 is due by September 1, 2027. Due to the extreme delay and OSCs needed to encourage the filing of this accounting, which covers two account periods, it is recommended the Court set an</i>

2	23PR-0326	Guardianship of: Julien Sheetz	Petition First Accounting Filed 7/02/2025; Cont'd 1/23/26 (Amended Petition Filed 5/18/26)	CONTINUED LIST: <i>The matter is continued to December 4, 2026 at 9:00 a.m. in P2. All additional materials are due by November 6, 2026. The following is noted as to the accounting, which was first turned for review on May 18, 2026. An amended Account will be needed due to all the issues below.</i> 1. <i>Account Starting at and values:</i> a. <i>The starting date of the Account is incorrect, as the guardianship was granted on March 1, 2024, not March 11, 2025. The order of the Court was March 1st. An explanation is needed as to what occurred in the ten-day period. See Fiduciary Accounting Handbook (CEB) section 5.4.</i> b. <i>It does appear from the bank statements provided that the checking account had a balance of \$18,871.00 on March 1, 2024 AND on March 11, 2024. It is unclear how the value on the inventory and the accounting presented of \$17,873 was determined, as it does not match the statement.</i> 2. <i>Inventory and Appraisal:</i> a. <i>The appraisal date on the Accounting is incorrect. The appraisals should have occurred on March 1, 2024, not March 11th. Amendment of Attachment 1 is needed and a declaration from the probate referee confirming the March 1st value is needed.</i> b. <i>Two "Final" Inventory and Appraisals were filed. One was filed on July 2, 2025 for \$352,500.00. The other was filed May 18, 2026 for \$17,837. It is unclear which document is supposed to be the final</i>

				<i>Inventory and the final value of the estate. Is the document filed on May 18, 2026 a Supplemental filing?</i> 3. <i>Accounting:</i> a. <i>Additional information is needed to establish the minor was only paying one half of the real property costs and living expenses. Based on the information provided, the Court is unable to evaluate the disbursements made to confirm the same.</i> b. <i>Additional information is needed on the disbursements for food. The Petitioner, as a parent of the minor, normally has the responsibility to pay for basic necessities of life outside of the guardianship assets. An explanation is needed.</i> 4. <i>As the minor turns 18 on Sept. 17, 2026, the Second and Final Account, for the period from April 4, 2026 to the date the assets are transferred to the minor, must be filed by December 4, 2026.</i>
3	24PR-0245	Conservatorship of: Jonathan Schwartz	Petition Filed 03/23/2026 - Petition for Order Establishing Special Needs Trust; and For Attorney Fees	CONTINUED LIST: <i>The matter is continued to October 16, 2026 at 9:00 a.m. in P2. All additional information is due by September 11, 2026. The following is noted:</i> 1. <i>The following questions, modifications or concerns are noted as to the Trust:</i> a. <i>Confirm that under Article V, section E is only for nomination and that the appointment is not official until the change is approved by the Court.</i> b. <i>An explanation is needed as to the additional investment powers under Article VI, section D. b. These are not investments enumerated under Probate Code section 2574. Additional information is needed as to why mutual funds maturing beyond 5 years</i>

				<i>and mutual funds held and traded in the US, but not limited to US government obligations, should be allowed.</i> <i>c. Additional explanation is needed on Article VI, section E. Why should the purchase of real property, a home or otherwise, not be pre-approved by the Court? Normally, the purchase would be run through the Court for approval due to the size of the same and use of Trust assets.</i> <i>d. Article VIII, section D should be modified to reflect the Accounts are required by the Court, unless specifically ordered suspended or waived. The current language puts the obligation to require an account on the Court, which does not comply with Cal. Rules of Court, rule 7.903.</i> <i>e. Article VIII, section G should reflect venue due to the nature of this Trust and the statutes for which it is created. This Court, San Luis Obispo Superior Court, is the venue for this trust going forward and modification to another location must be done via a noticed Motion. This Court is required to track the account and as such, it is imperative that the Court know of and approve of movement prior to the same.</i> <i>2. The bond is recommended as prayed at \$310, 363.00</i> <i>3. Attorney fees are recommended as prayed.</i> <i>4. A proposed order is needed.</i> <i>5. The first account due date will be addressed at the next hearing.</i>

All additional items must be filed by December 11, 2026. The following is noted:</i> <i>1. Proof of service of Notice of Hearing was not located as required by Probate Code section 1511 as to the minor and the mother. Personal service is required.</i> <i>2. Item 1b. of the Petition is incomplete. It is unclear who Petitioners request be appointed as guardian of the estate. Based on the Petition for Temporary Guardianship, it appears appointment of both Petitioners may be requested. Clarification is needed.</i> <i>3. The bond amount requested in 1c(2) of the Petition does not include the recovery amount as required by California Rules of Court, rule 7.207. A total bond of \$690,000 appears necessary.</i> <i>4. <u>APPROVED LIST</u>				
7	25PR-0100	Conservatorship of: Cory Keifer	Petition Filed 03/26/2026 - Petition For Order Authorizing Conservator to Pay Allowance to Conservatee	APPROVED LIST: *UPDATE* <i>The request is recommended for approval, with a reduced allowance from the conservatorship estate to \$120 total a month (\$50 already being paid, plus \$70 more). This, together, will allow the conservatee to live within his monthly income. His underlying estate would only need to cover the \$200 December payment requested in the prayer and could then be saved for use or other increased costs.</i>

The following issues are noted: 1. The proof of service of Notice of Hearing filed May 14, 2026, was not served on the father, Keith Montes. Additionally, the proof of service of Notice of Hearing appears to be signed with a computer-generated signature. An original or verified digital signature is needed. (Cal. Rules Ct., rule 2.257.) 2. Proof of service of the Citation on the Amended Petition has not been filed. A Citation on the

				<i>Amended Petition was never issued and the Notice of Acknowledgement of Receipt does not cite the amended Citation on the Amended Petition.</i> 3. <i>A Capacity Declaration filed on April 20th does not fully support the Petition. Section 23 is incomplete and a major neurocognitive disorder is not noted. These powers are not recommended.</i> 4. <i>After review of the mandatory reports and the Capacity Declaration, it is recommended that at the next hearing the Court deem this Petition a Limited Conservatorship Petition under Probate Code section 1828.5, with only the power to fix the proposed conservatee's residence, the power to access confidential medical records and the power to give or withhold basic medical consent. A general conservatorship, major neurocognitive disorder powers and all other requests are recommended for denial. This appears to be the least restrictive alternative for this particular proposed conservatee, under Probate Code sections 1800.3 and 1801. At the last hearing, the parties indicated that they would meet and confer regarding a possible stipulation. An update has not been provided.</i> 5. <i>A revised Order and letters may be needed.</i>
