This is the Tenth Hearing on this matter. The following is noted: 1. <u>(1) First Account.</u> An Amended First Account covering the period of January 10, 2019 to January 9, 2020 was not filed by any of the Court Ordered deadlines. The matter has been continued multiple times with no response: February 10, 2023, February 28, 2024, January 23, 2024, May 17, 2024, August 16, 2024, November 8, 2024, February 28, 2025, June 20, 2025, October 17, 2025 and March 6, 2026.

			(2) Order to Show Cause re: Sanctions \$500 stayed	<i>Due to the Court denying waiver of the Probate Referee and the dismissal of the Probate Code 850 Petition, the current account is based on propositions no longer in play. The current version of the account is also presented as a simplified account, but does not qualify for the same. A standard account is needed pursuant to California Rules of Court, rule 7.575. A new accounting is needed along with a new Inventory and Appraisal, both of which Counsel advised would be filed hearing, on August 16, 2024.</i> 2. <i>(2) OSC re: Sanctions for failure to appear on June 20, 2025. It is noted that the sanctions ordered on June 20, 2025 have not yet been paid.</i>
3-4	18PR-0307	Conservatorship of: Ronal Collier	(3) Order to Show Cause re: Second Account & Final Account; cont'd 5/16/24, 8/16/24, 2/28/25, 6/20/25, 10/17/25 & 3/6/26 (4) Order to Show Cause re: Sanctions \$500 stayed	HEARING LIST: Zoom or personal appearance is required. This is the Seventh Hearing. The following is noted: 1. <i>(3) OSC re: Second and Final Account. The following items are still due and were not provided by the most recently ordered due date of February 6, 2026. The matter has been on calendar six other times after that hearing to try to obtain the materials, including May 17, 2024, August 16, 2024, November 8, 2024, February 28, 2025 and June 20, 2025, October 17, 2025 and March 6, 2026. The following is still missing: (1) Second Account and Report, covering the period of January 10, 2020 through February 9, 2021, and (2) the Final Account for the period of Feb. 10, 2021 through at least September 2024, due to the extreme</i>

				<i>delay. It is unclear why nothing has been filed with regard to the above, which are very past due. Nothing has been filed in six hearings.</i> 2. (4) <u>OSC re: Sanctions</u> for non-appearance on June 20, 2025. It is noted that the sanctions ordered on June 20, 2025 have not yet been paid.
5	22PR-0325	Guardianship of: Noelle Higgins	Order to Show Cause re Sanctions \$500; (for failure to file Sophie s First Account)	HEARING LIST: Zoom or personal appearance is required.
6	22PR-0325	Guardianship of: Noelle Higgins	Order to Show Cause re Sanctions re: Failure to file in a timely manner	HEARING LIST: Zoom or personal appearance is required.
7	22PR-0325	Guardianship of: Noelle Higgins	Petition - First Account for Noelle Higgins. Filed 8/28/2025; Cont'd 3/13/26 & 5/22/26	HEARING LIST: Zoom or personal appearance is required. The following issues remain from the last two hearings: 1. Additional information is needed. When this matter was approved, the Petitioner represented to the Court that the estate of the two minors would consist of social security benefits of \$1,200 a month (\$14,400 annually) each and life insurance policies of \$100,000 each. Bond of \$251,680 was ordered and should be in place, as the Court has not discharged the bond. It is now unclear why this Petition to approve the First Account, which is two years late, claims there are no assets of the estate at the beginning of the account period for Noelle or why the social security benefits would be managed outside of the guardianship estate.

				<i>Citation to authority for this premise has never been provided. As previously discussed on other matters, once the estate is opened, the social security benefits are reportable to the Court, absent Court order. No such Court order was ever made in this matter, excusing reporting requirements. Moreover, the Petition indicates that shortly after this particular zero asset account ends, which was over two year ago, funds were finally marshalled into the estate. Nevertheless, the Petitioner requests the Court excuse any other accountings. At this time, waiver is not recommended due to the lack of transparency of the status of the matter, which appears to have changed drastically without any clear explanation. The Second Account is due immediately due to the issues in this Account. This Account is not recommended for approval until the Court receives clear explanations on what happened to the funds expected and the Second Account for review. Due to the delay in this matter and the state of this account presented, it is recommended the Court set OSC re: Sanctions of \$1,000 for the failure to file the account and responses to this Petition by the court-ordered deadline of April 24, 2026.</i> 2. <i>What is the status of bond? Who has been paying bond premiums? The Court ordered bond over both estates, which as posted.</i>
