

The Old Custom House, Inc. v. CCC PSC Owner, LLC, et al., 25CV-0546

Hearing: Motion for Preliminary Injunction

Date: August 27, 2026

TENTATIVE RULING

The Court has read the parties' briefs and reviewed the submitted evidence and would like the parties to come prepared to address the following issues:

1. What steps have Defendants taken to address the safety of the Restaurant Building with the City of Pismo Beach, which is the governmental agency responsible for addressing municipal code, including building code, violations?
2. If the Court were to grant Defendants' request for a preliminary injunction, what is the parties' suggested procedure for determining the amount of bond to be posted by Defendants? (Code Civ. Proc., § 529 [court must require an undertaking].)
