				<i>(a)(3). Notices mailed to more than one person in a household must be sent separately to each person.</i> 2. <i>It is unclear under what statute this Petition is brought, as it is titled in the name of the estate, filed in the estate case, but it cites Probate Code section 17200, a trust statute, as the authority for the transaction. Are the assets in question part of the Trust or the probate estate? If this is from the estate, is this a request for a preliminary distribution? If assets are held by the Trust, the Petition should have been filed in the Trust matter. The items of property need to be clearly identified as to what belongs to the Trust and what belongs to the estate and exactly what is requested. As noted by the instruments provided, the beneficiaries of the two differ.</i> 3. <i>An Objection has been filed.</i>
