2	20PR-0131	Conservatorship of: Lee Brazil, Senior	Petition Second Account and Report Filed 01/24/2025 [DUE 5/26/26]; cont'd 8/19/25, 11/25/25	HEARING LIST: Zoom or personal appearance is needed. The following cannot be located in the statements provided. The additional materials ordered at the last hearing on November 25, 2025 have not been submitted by the May 26, 2026 deadline. It is unclear why nothing has happened in over six months. The following remains: 1. Supporting financial statements were not located. The statements provided on August 18, 2025 do not appear to apply to this accounting. Additional statements have not been submitted for this account period of August 14, 2021 through July 27, 2022, and July 28, 2022 through November 29, 2024. 2. Information is needed on the \$20,000 transfer to the trust and under what authority that transfer was made. 3. Information is needed on how the balance held in the conservatorship will be dispensed. There is no request in the Petition. 4. Fees were ordered paid from this estate on July 28, 2023, in the amount of \$3,615.00. A corresponding disbursement was not located during the Third Account. Clarification is needed on when this bill will be paid. This is especially concerning when after the order was made, \$20,000, which was the bulk of this conservatorship remaining, was paid to a Trust without any clear order approving the same. 5. The Court Account Review fee of \$305 is needed. 6. A proposed Order is needed.

There does not appear to be a pending petition on calendar as referenced in the Status Report. The Response filed October 17, 2025 has materially different requests for relief than the original document and it does not appear the document was served on all parties. It appears that the update filed on June 8, 2026 was also not served on all parties. It is noted that the update indicates that it has been served on opposing counsel but no proof has been filed. It is unclear why all parties are not being served with the documents. The October 9, 2025 Status Report is still outstanding as amended by the above noted Response. It is unclear what Petitioner is requesting at this point and if the October 9th Status Report is being abandoned. Additional details are needed regarding the litigation process between the last hearing and the June 8th update. It is unclear what</i>
