4	21PR-0347	Estate of: Glen Ratteree	Petition Filed 4/7/2025 - Final Distribution and Accounting [DUE 6/16/26] cont'd 10/7/25 & 12/9/25	HEARING LIST *UPDATE* Zoom or personal appearance is needed. The following is noted: 1. It was ordered that clarification of the 10/6/25 Objection and specification of the points to which Objector is objecting be filed by 11/25/25 and again by 6/16/26. Nothing was filed by Objector. On 7/9/2026, a 144 page Declaration by Ms. Fitler was filed. The information in the Declaration is concerning and waiver of the Objection is not recommended. 2. It appears a primary probate was opened in Nevada, after this probate was opened in California. The Court does not have jurisdiction over assets that are in Nevada and which are enumerated, in part, in Exhibit "B" of this Petition. As such, the only asset to be distributed in this proceeding is the proceeds of the one property listed in the Inventory and Appraisal, 6035 Parkhill Road. The proposed order should specify that only this asset exists, in cash, and that this Court makes no orders over any other property outside of California, including but not limited to the Nevada property. Inclusion of an omnibus clause is agreeable, but with the specification that it only covers property in California.

			4/29/25, 8/12/25 & 1/6/26 (SIXTH HEARING)	1. <i>The Court notes that on September 16, 2024, an Amended Final Inventory and Appraisal was filed to amend the Decedent's assets as the prior Inventories and Appraisals filed in this matter co-mingled Decedent's assets with her spouse's assets. As such, the value of this estate, as well as the estate's assets, changed.</i> <i>a. It is unclear what assets remain on hand for distribution as part of this estate based on the filings. The April 8, 2025 Supplement indicates an April 8, 2025 Corrected Final Inventory and Appraisal "clearly identifying the assets remaining for distribution" was filed. Said Corrected Final Inventory and Appraisal lists <u>one asset</u>, which is \$1,525.56. What happened to all the other assets listed in all the other Inventory and Appraisals?</i> <i>b. In that Amended Inventory dated September 16, 2024, Attachment 1 name four "Chase Bank" accounts without account numbers referenced to identify which accounts are exactly being addressed. For example, is it a checking account, savings account, or can the last few digits of the account be provided so the court can identify the difference? Due to the missing information, the Court still cannot decipher the prior Supplement which does cite bank account numbers to match them to the Amended Inventory. The April 8, 2025</i>

				<i>Supplement agrees discrepancies remain (page 3, item 17) and that “[d]etailed identifying information for the account has been provided and supporting documentation clarifies these discrepancies.” The file does not reflect documentation that clarifies and supports the discrepancies, as referenced in the April 8th Supplement. If the reference is to previously filed documentation, as noted above, that document does not support or clarify the bank account information.</i> <i>2. A corrected Inventory and Appraisal is still needed. As to the Chase Bank accounts as noted above. This note was only addressed as to the household furniture.</i> <i>3. Issues with the First Supplement filed 9/16/24:</i> <i>4. The Petition stated that on April 24, 2023, \$1,597.17 was transferred from Chase Bank. The First Supplement indicates that \$5,829.94, the total value of the Chase accounts was transferred into the estate account. It appears from the Amended Final Inventory and Appraisal that the total value of the Chase accounts was \$9,969.97, for a difference of \$4,139.73. The First Supplement states that the balance of the Golden One Account in the amount of \$1,055.43 was transferred to the estate account but the Inventory and Appraisal only values that account at \$520.71. Again, the April 8, 2025 Supplement agrees and indicates discrepancies remain (page 3,</i>

				<i>item 17) and that “[d]etailed identifying information for the account has been provided and supporting documentation clarifies these discrepancies.” The file does not reflect documentation that clarifies and supports the discrepancies, as referenced in the April 8th Supplement. Clarification and the referenced documentation that will address this issue have not been located.</i> <i>5. It is recommended the Court set an OSC re Sanctions for failure to address the probate notes by the court-ordered deadline.</i>

The Petition in question appears to be both a Probate Code section 850 Petition and a Probate Code section 17200 Petition. a.
