2	20PR-0131	Conservatorship of: Lee Brazil, Senior	Petition Second Account and Report Filed 01/24/2025 [DUE 5/26/26]; cont'd 8/19/25, 11/25/25	HEARING LIST: Zoom or personal appearance is needed. The following cannot be located in the statements provided. The additional materials ordered at the last hearing on November 25, 2025 have not been submitted by the May 26, 2026 deadline. It is unclear why nothing has happened in over six months. The following remains: 1. Supporting financial statements were not located. The statements provided on August 18, 2025 do not appear to apply to this accounting. Additional statements have not been submitted for this account period of August 14, 2021 through July 27, 2022, and July 28, 2022 through November 29, 2024. 2. Information is needed on the \$20,000 transfer to the trust and under what authority that transfer was made. 3. Information is needed on how the balance held in the conservatorship will be dispensed. There is no request in the Petition. 4. Fees were ordered paid from this estate on July 28, 2023, in the amount of \$3,615.00. A corresponding disbursement was not located during the Third Account. Clarification is needed on when this bill will be paid. This is especially concerning when after the order was made, \$20,000, which was the bulk of this conservatorship remaining, was paid to a Trust without any clear order approving the same. 5. The Court Account Review fee of \$305 is needed. 6. A proposed Order is needed.

4	22PR-0344	In Re: 2009 Ramsey Family Trust dated 5/27/2009	Petition for Approval and Accounting [DUE 5/26/26]; court set 11/25/25	HEARING LIST: <i>Zoom or personal appearance is needed. The accounting from the practice administrator has not been provided.</i>
6	23PR-0149	Estate of: Fred VanZandt	Status Report, cont'd 10/21/25	HEARING LIST: <i>*UPDATE* Zoom or personal appearance is required. The Declaration filed on June 25, 2026 has been reviewed. There is no pending Petition on file in this matter or anything under the Decedent's estate or the last name. It is unclear what kind of meaningful negotiations have occurred when the parties appear to be unclear or assuming the nature of the dispute and filings. It is also unclear why a mediation order would be appropriate when there is no actual clear dispute before this Court at this time.</i> <i>Petitioner, the personal representative, must immediately file a Probate Code section 12201 compliant Status Report, served on all the interested parties, as to when the Petition for Final Distribution will be filed. This Court remains waiting for a Petition for Final Distribution of the estate from the Personal Representative.</i> <i>It is recommended the Court order: (1) deem the Status Report filed October 9th moot and (2) a Petition for Final Distribution be filed by November 2, 2026 set for a hearing December 11, 2026 at 9:00 a.m. in D4. An OSC re: Petition for Final Distribution shall be set on that date, to be replaced once the actual Petition is filed. An Objection to that Petition can be filed, if so deemed appropriate by any parties.</i>
