<u>HEARING LIST</u>				
3	20PR-0014	Conservatorship of: John Lindquist	Petition Second Account & Report Filed 11/07/2025	<i>Still under review.</i>
4	20PR-0309	Conservatorship of: Robert Brenna	Petition First Year Account; cont'd 9/13/24, 3/14/25, 5/30/25, 9/19/25 and 3/13/26 (SIXTH HRG)	HEARING LIST: <i>Zoom or personal appearance is needed. The Court has continued this matter multiple times, the last time on March 13th to this date, July 17, 2026, at 9:00 a.m. in P2. Additional materials were due by June 1, 2026. An Amended Inventory was filed, with the corrected start date and a new starting balance, but the Amended Account has still not been provided.</i> <i>1. Accounting issues:</i> <i>a. The account start date should have been from April 23, 2021, the date when the conservatorship was ordered in Court. (See Fiduciary Accounting Handbook (Cont.Ed.Bar 2024) When The Accounts of Guardians and Conservators Begin, § 5.4.a.) An amended Account is needed.</i> <i>b. Financial statements have not been located as alleged. (Prob. Code, §2620.)</i>

				c. <i>Original statements from the care facility located under Schedule C are needed and were not located. (Prob. Code, §2620.) Supporting statements are also needed for those items alleged in the liability schedule, which are not requested for payment from the Conservatorship (Sunrise Terrace and Shiloh Green Manor II).</i> d. <i>Additional information is needed on the \$140,921.51 as alleged liability due to the Petitioner from the conservatorship. A large portion of the itemized costs provided are from a year prior to the appointment and up to six (6) months prior to the filing of this case. Legal authority is needed for payment of the alleged amounts, along with additional information as to why this liability was incurred far before this Court had jurisdiction, in April of 2020. Particular attention should be paid to the following liability requests:</i> i. <i>Original statements are needed from the care facilities, as noted above. The Conservatorship estate is now being asked to pay for the same,</i> ii. <i>Itemized statements are needed from Tardiff Law firm, whose fees are now being requested to be paid by the conservatee.</i> iii. <i>Information is needed on the VCCU credit card.</i> iv. <i>Additional information is needed on the \$3,893.29 in interest incurred on the Discover credit card. Whose name is on the card and why was the credit card not paid off each</i>

				month? Why was such interest allowed to incur, including over \$500 in interest on pre-paid legal fees paid to the Tardiff Law firm. and items purchased after the conservatorship was established, including but not limited to over \$300 on the bond premium? The practice of putting conservatorship expenses on a credit card, and then over \$3,000 in interest being incurred due to unpaid totals each month on said credit card is very concerning and does not appear to be in line with fiduciary standards. e. A revised schedule describing the change in the form of assets is needed. It is unclear from the materials presented and the current Change in the Form of Asset Schedule, how the total ending shares number and carry value were determined for the three mutual funds on hand 2. Attorney fees: a. The paralegal rate requested exceeds the community standard. A reduction of the fee is recommended in the amount of \$1,417. b. It is recommended the charges related to the “ex parte motion/petition to change venue” be denied. The benefit to the estate for this particular filing is not clear, especially because the conservatee has not returned to Ventura County, but rather, is now in Sonoma County. A reduction of \$2,697.50 is recommended. This does incorporate the reduction of the hourly rate for the paralegal fee noted in 6.a.

				<i>c. The cost of preparing this account appears high at over \$7,700.00. Additional information is needed to explain the overall process and sum incurred. In addition, specific information is needed on how much time was incurred in preparing the liability schedule and interest schedule related to the Petitioner's current reimbursement request.</i> <i>3. Additional Liability-</i> <i>a. It does not appear the fee due to Attorney Pick, ordered on May 11, 2022, has been paid per the account. This sum was not listed as an outstanding liability. Counsel charged to attend the hearing on 5/6/22, so it appears all parties were aware of the approval.</i> <i>4. The Court Account Review fee of \$305 is due.</i>
5	20PR-0309	Conservatorship of: Robert Brenna	Order to Show Cause re: Second Year Accounting; cont'd 3/14/25, 5/30/25, 9/19/25, 3/13/26	HEARING LIST: <i>The Court has continued this OSC five times. It is unclear why nothing has been filed.</i>
6	20PR-0309	Conservatorship of: Robert Brenna	Order to Show Cause re Sanctions re: failure to respond to probate notes	HEARING LIST: <i>Zoom or personal appearance is required. Sanctions of \$500.00 are recommended for the continued failure to file a meaningful response to the First Account notes or the missing Second and Final Account.</i>
