The Demurrer as to Causes of Action A through H are SUSTAINED because the Amended Petition fails to state a cause of action (Code Civ. Proc., § 430.10, subd. (e)). The Amended Petition fails to allege any facts in support of its allegations that Vicki Satrap, either in her individual capacity or in that as trustee of the Satrap Living Trust, or SATRAP PROPERTIES II, LLC; or VICKI L. SATRAP, as Member/Manager of SATRAP PROPERTIES II, LLC has engaged in any of the causes of action described as A through H.

Moreover, the Amended Petition is untimely on its face based on the one-year statute of limitations under Code of Civil Procedure section 366.2, because Eugene E. Satrap, the purported wrongdoer died in 2015. The longest applicable statutes of limitations are four (4) years, and the initial Petition was filed in 2024, so the Amended Petition is untimely. Delayed discovery was not adequately pled. Petitioner's argument as to why the statute of limitations has not run is not persuasive. Petitioner was clearly on notice as to the terms of the EDS trust as of 2014, including his position as a contingent beneficiary should his father not exercise his power of appointment.

The Amended Petition also fails to comply with Rule of Court 2.111, in that the causes of Action A through H are not properly numbered and they do not properly state the party or parties to whom each is directed. The special demurrer is therefore SUSTAINED as independent, additional grounds.

The Request for Judicial Notice is GRANTED as to the existence of the documents as records of the court and the county recorder's office and not for the truth of any matter asserted therein.

Plaintiff has leave to amend within 10 days of the service of the notice of entry of this order. Defendant is to serve the notice of entry of this order within 5 days of entry of this order.

There is no proof of publication, and no filing of notice of petition and hearing. As such, the amended petition cannot be granted at this time. However, it appears that petitioner may qualify for a summary disposition without going through formal probate, utilizing the affidavit procedure for small estates found un Probate Code sections 131000-13117.
