**Tentative Ruling:****APPEARANCE ORDERED**

The Court strikes Objector's "REPLY BRIEF TO ADMINISTRATOR'S REPLY TO OBJECTIONS", filed 8/19/26. Unless ordered by the Court, parties are not entitled to file reply briefs to reply briefs. Petitioner has filed an Amended Reply to Objections. Parties to appear to discuss trial setting. Objector has asked for affirmative relief in the form of removal of the administrator, but doing so in an objection is not appropriate. If that is something objector seeks, she should file a petition. The only petition pending for determination is that of the administrator seeking approval of first account and final distribution, along with fees.

The Court intends to remove the administrator, Peter Belich, if he has not retained counsel to conclude the administration of this estate. | <b>Tentative Ruling:</b><br><br>APPEARANCE ORDERED (Zoom allowed)<br><br>Parties to appear to explain why no accountings have been filed. The Court understands that the successor conservator has been waiting to file its accounting until the Fifth and Final account is filed, but there is no reason to delay filing if in fact it has been prepared, which is the Court's understanding. As it relates to the former conservators, more than a year has passed since the accounting was due to be filed, and the court is growing concerned.<br><br>Pursuant to Probate Code §1851.5, the court orders payment of \$850.00 for the current assessment and past due fees of \$850 from the conservatorship estate to the Superior Court of California, County of San Mateo, within fifteen (15) days. |                                                                                                                                                                                             |                                                           |
