Intervenor: Castillo, Millizent (COLE, CHRISTOPHER) Intervenor: Estate of Felicidad Madrilejo Hayes (COLE, CHRISTOPHER) Intervenor: Monteverde, Maria Cecilia Madrilejo (COLE, CHRISTOPHER)	Status Hearing

Tentative Ruling:**APPEARANCE ORDERED**

The Court has reviewed the status reports and does not believe that there is going to be much progress in attempts to get further documentation from the IRS within the next 60 or 90 days. These petitions have been pending far too long [2021, 2022, 2023] without substantive discovery or any mediation taking place. The parties are simply going to have to move forward with what they have in preparing to take depositions, while still making whatever further attempts they wish to do in securing additional information from the IRS Parties are to appear to discuss setting an evidentiary hearing. The court believes that only with a trial date looming will the otherwise necessary steps towards preparing for the same result in any hope of moving these matters towards resolution, be that through trial or settlement.
