Tentative Ruling:

APPEARANCE OPTIONAL

The final account of the former conservator and trustee is approved. Bond in the conservatorship is discharged. Discharge as conservator may be obtained by filing receipts and the Ex Parte Petition for Final Discharge [mandatory Judicial Council form DE-295/GC-395]. Petitioner shall be discharged as trustee and trust bond upon filing receipts demonstrating transfer of all trust assets to the Successor trustee. The First Account of the successor trustee is set on October 16, 2026. Attorney fees and costs are granted as requested. Conservator/Trustee fees are granted in the amount of \$13,096.5 after deduction of \$1,576.50 (calculated by compensating non-licensed staff at the rate of \$125/hour). In making these reductions the court has taken into account the size and nature of the estate, the benefit to and future needs of the conservatee, the necessity of service performed, time spent in performance of services, the skill, judgment, and expertise brought to the performance of services, compensation customarily allowed in estates of similar size and complexity and the petitioners' estimate of the value of the services performed.
