26-PRO-00431	Estate of William Zarubin	AMENDED*- Continued from 05/11/26
Line 13	Petitioner: Zarubin, Steven (CRUZ, MICHELLE R.) Decedent: Zarubin, William Proposed Personal Representative: Zarubin, Steven	Probate of Will and Letters Testamentary Hearing w/ ATA
Tentative Ruling: APPEARANCE OPTIONAL The Court intends to DENY the petition for probate. The Amended Petition, while it lists an address of property which the decedent potentially owned in San Mateo County, does not contain any additional facts or admissible evidence supporting the allegation that he was “domiciled” in San Mateo County. The decedent had been living in an assisted living facility in El Dorado County, and had lived in that county since February 2022. The Court continued this matter previously for petitioner to provide evidence establishing decedent’s “intent to return” to San Mateo County, but no further evidence has been provided. Petitioner’s recitation of applicable law on the issue is accurate, but doesn’t tip the Court’s decision in his favor. There is no evidence, by way of act or declaration, that Decedent intended to return to San Mateo County. He moved to the county where his daughter resided, and then moved into an assisted living facility. As such, the proper venue for the administration of his estate is El Dorado County [where the will was lodged after his death in 2024]
