Analysis

"When a Court has jurisdiction over the parties and subject matter of a suit, its jurisdiction continues until a final judgment is entered. [Citation.] When there is a voluntary dismissal of an entire action, the Court's jurisdiction over the parties and the subject matter terminates." (Wackeen v. Malis (2002) 97 Cal.App.4th 429, 437.)

On November 3, 2025, Plaintiff Roxanne Coles filed a request for dismissal of this entire action and her complaint without prejudice, which was entered that same day. This dismissal had the effect of terminating this action given there were no other causes of action asserted in any other pleadings. (See *ibid.*) Based on the foregoing, the Court will deny Plaintiff's motion.

The request for sanctions by Defendants is also denied. This action has concluded.
