GUARDIANSHIP OF JURON & JOSIAH ANDERSON

CASE NUMBER: 26PG-0033257

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minors' grandmother, Amy Rodgers. Letters of Temporary Guardianship were requested but denied pending hearing. This matter is also on calendar for confirmation of counsel.

The Court previously determined the matter to be properly noticed. No objections have been raised. ICWA notification has been given and no tribe has requested to intervene in this matter. The Court has reviewed and considered the Court Investigator's report filed on March 24, 2206, which states that the investigation could not establish a sufficient basis to support guardianship. Considering the report, Attorney Kristin Anderson was appointed as counsel for the minors. **An appearance is necessary on today's calendar to confirm appointment and for setting of a contested hearing.**

GUARDIANSHIP OF AMERIAH AZEVEDO

CASE NUMBER: 26PG-0033373

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's grandparents, Chris and Michelle Azevedo. Letters of Temporary Guardianship issued on May 5, 2026, and are set to expire today unless further extended.

At the last hearing, the Court determined the matter to be properly noticed. The mother appeared and objected to the Petition; however, a formal objection has not been filed. No other objections have been raised. An amended GC-212 for Michelle has been filed which sufficiently addresses the issues raised on June 15, 2026. An amended GC-212 for Chris has not been filed with attachment 9 completed. Considering the answer to item 9 on Michelle's Confidential Guardian Screening Form, the Court will overlook the defect. An amended ICWA-010(A) has been filed which states the child is not an Indian child. The Court will inquire whether the child is or may

be an Indian child. If Petitioners have reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed and considered the Court Investigator's report filed on June 1, 2026, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardians are suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardians' discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. Annual Review is set for **Monday, July 26, 2027, at 8:30 a.m. in Department 42**. A completed Confidential Guardianship Status Report (GC-251) must be submitted one (1) month prior to the hearing on the Annual Review pursuant to Probate Code § 1513.2. The Court reminds the Guardians they are responsible for maintaining a current address on file with the Court at all times. **No appearance is necessary on today's calendar.**

GUARDIANSHIP OF CORBIN CHAFFIN

CASE NUMBER: 24PG-0032406

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Termination of Guardianship filed by the father, Matthew Chaffin and a Petition for Termination of Guardianship filed by the mother, Emily Cox.

Father's Petition. A new Notice of Hearing has not been filed and served for today's date. There is no proof of service of the Notice of Hearing and Petition for the mother and insufficient information has been provided to permit the Court to dispense with notice. Considering the father's failure to file and serve the document necessary to move forward, the Petition is **DENIED** without prejudice.

Mother's Petition. A new Notice of Hearing has not been filed and served for today's date. There is no proof of service of the Notice of Hearing and Petition for the paternal grandparents and insufficient information has been provided to permit the Court to dispense with notice. Considering the mother's failure to file and serve the documents necessary to move forward, the Petition is **DENIED** without prejudice.

The Court notes the future date of June 7, 2027, for Annual Review. **No appearance is necessary on today's calendar.**

GUARDIANSHIP OF AMARA & JOEL CICEU-CERVANTES

CASE NUMBER: 26PG-0033207

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Persons filed by the minors' non-relative caregivers Aaron and Jessica Souza. Letters of Temporary Guardianship issued on January 12, 2026. The Court after conducting a hearing on the issue, previously **ORDERED** the Temporary Guardianship to remain in effect pending the hearing on the Petition in light of the Children's Services safety plan and the detriment to the minors that would be caused from multiple separations or loss of primary caregivers.

The Court previously determined the Souza Petition had been properly noticed. ICWA notification has been properly given and a request to intervene was received from the Mechoopda Indian Tribe. The Tribe filed an objection seeking family placement with paternal aunt, Jenny Adkins. Jenny Adkins has filed an objection. The mother filed an objection; however, the mother and father subsequently withdrew any objection and both filed a nomination of the Souza's as guardians. The mother has filed a declaration in support of the Souza Petition and expressing objections to the Tribe's proposed guardian.

The Court previously noted that the minors' great aunt, Jenny Adkins, also filed a Petition for Appointment of Guardian of the Persons. A Notice of Hearing has still not been file and served to bring the matter properly before the Court despite this matter having been continued multiple times. In light to the failure to take any action on the Petition, Ms. Adkin's Petition is DENIED.

Jennifer Tescher has been appointed as counsel for the mother. Melissa Fanoë has been appointed as counsel for the father. Both Attorneys Tescher and Fanoë have confirmed their appointment. At the last hearing, Attorney Kristin Anderson was appointed as counsel for the minors and confirmed appointment. The Court previously made a referral to Children's Services and the Tribe previously filed applications to commence juvenile court proceedings on June 23, 2026. The Court has reviewed the memorandum from Children's Services filed on July 14, 2026, which indicates that they will not be commencing juvenile proceedings at this time and Children's Services continues to recommend placement of the minors with the Temporary Guardians.

An appearance is necessary on today's calendar to set a contested hearing date only. Petitioners are reminded that an Indian expert's testimony will be required. See *Welfare and Institutions Code section 224.6* and www.courts.ca.gov/8105.htm. Additionally, in light of the Court's prior expressed concerns (based upon the Court's judicial education and training) the Court expects that expert testimony will be presented regarding any detriment, or lack thereof, to the minors' mental/emotional well-being as it relates to attachment disorders in 18-48 month-olds. The Court identifies this issue so that the parties/counsel will be prepared to address this issue at the time of the contested hearing.

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person. The Petition was filed by the minor's sister, Freedom Fernalld. Letters of Temporary Guardianship were requested but denied pending hearing.

The sister/Petitioner has consented to the guardianship. Proof of service has been filed for the minor's paternal grandfather and remaining siblings. The Court dispenses with notice to the deceased father and maternal grandparents. There is no valid proof of service of the Notice of Hearing and Petition for the minor, mother, and paternal grandmother. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The proof of service by mail for the minor and mother filed on July 10, 2026, is insufficient.

The Court has reviewed the Court Investigator's report filed on July 21, 2026, which states that Petitioner intends to withdraw the Petition. Considering the Court Investigator's Report, the Petition is **DENIED** without prejudice. The clerk is directed to close the file. **No appearance is necessary on today's calendar.**

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition for Appointment of Successor Guardian of the Person. The Petition was filed by the minor's sister, Freedom Fernalld. Letters of Temporary Guardianship were requested but denied pending hearing. The current Guardian is Jennifer Pierson.

The sister/Petitioner has consented to the guardianship. Proof of service has been filed for the paternal grandfather and remaining siblings. The Court dispenses with notice to the deceased father and maternal grandparents. There is no valid proof of service of the Notice of Hearing and Petition for the Guardian, minor, mother, and paternal grandmother. The Guardian, minor and mother have previously appeared and confirmed notice of these proceedings and expressed their consent of the

Petition before the Court. Therefore, the Court will accept the proof of service by mail for the Guardian, minor, and mother filed on July 10, 2026 as sufficient. The paternal grandmother may be served by mail. Prob. Code § 1511(c). Alternatively, the grandmother can sign a consent and waiver of notice (GC-211, section 4), in lieu of being served.

The Court has reviewed the Court Investigator's report filed on July 21, 2026, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage. This matter is continued to **Monday, August 24, 2026, at 8:30 a.m. in Department 42** for further proceedings on the Petition. Petitioner is required to file and serve a new Notice of Hearing for the continued hearing date, along with a copy of the Petition, on the paternal grandmother. In the alternative, if Petitioner cannot serve the parties identified, the Court will require a declaration explaining in detail all efforts of Petitioner to locate and serve them and why they cannot be served, to permit the Court to dispense with notice. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**
