In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Persons filed by the minors' grandmother, Cheng Saeturn and on a Petition for Appointment of Guardian of the Persons filed by the minors' aunt and uncle, Belinda and Ricky Eusted. Letters of Temporary Guardianship issued to Belinda and Ricky Eusted on February 19, 2026, and are set to expire today unless further extended.

Saeturn Petition. No further documents have been filed to address the issues raised on April 20, 2026, and May 18, 2026. There is no proof of service of the Notice of Hearing and Petition for the maternal grandfather or paternal grandparents. An amended ICWA-010(A) for each child and amended GC-212 have not been filed. Considering Petitioner's failure to file and serve the documents necessary to move forward, the Petition is **DENIED** without prejudice.

Eusted Petition. A new Notice of Hearing has been filed and served for today's date; however the proof of service by mail for the father, maternal grandparents, and paternal grandparents filed on June 11, 2026, is insufficient. The proof of service is incomplete as to item 2 and fails to indicate that a copy of the Petition was served under item 5. Additionally, the father must be personally

served in order to move forward on the Petition. Prob. Code § 1511(b). All other parties may be served by mail. Prob. Code § 1511(c). GUARDIANSHIP OF KARRIE REMPFER

CASE NUMBER: 25PG-0033196

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for status of referral to Children's Services. Both Petitions for Appointment of Guardianship filed by Amber Harrison and Heather Jessee were previously denied and the matter was referred to Children's Services. The Court has reviewed the memorandum from Children's Service received on June 22, 2026, which states that the minor is still residing with Ms. Jessee, that Ms. Jessee intends to continue with her request for guardianship, and that she would be obtaining a consent from all required parties prior to today's hearing. In light of the memorandum, the Court will set aside the order of April 27, 2026, denying Heather Jessee's Guardianship.

The mother, father, and maternal grandparents have consented to the guardianship and waived notice. Considering the memorandum, the Court will find the minor to have sufficient notice of the proceedings. Additionally, the Court will find the siblings to have notice as they are currently in the custody of Petitioner and/or the mother and father. The Court previously dispensed with notice to the deceased paternal grandparents. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed and considered the Children's Services report filed on February 13, 2026, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardian's discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. Annual Review is set for **Monday, June 28, 2027, at 8:30 a.m. in Department 42**. The Court notes the minor will be the age of majority and the guardianship will terminate by operation of law prior. **No appearance is necessary on today's calendar.**

CASE NUMBER: 26PG-0033362

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Persons. The Petition was filed by the minors' grandparents, Jose and Norma Rodriguez. Letters of Temporary Guardianship were issued on May 1, 2026, and are set to expire today unless further extended.

Proof of service has been filed for the paternal grandparents of Natalia. The Court dispenses with notice to the unknown father and paternal grandparents of Jose. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Court will inquire whether the child is or may be an Indian child. If Petitioners have reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed and considered the Court Investigator's report filed May 14, 2026, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardians' discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. Annual Review is set for **Monday, June 28, 2026, at 8:30 a.m. in Department 42**.
