IN RE: BARRY

Case Number: 25CV-0207449

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

Petitioners/Guardians Stacey and Hector Barry (maternal grandparents) seek to change the name of their minor ward. The Petition contains the following defects:

1. CCP § 1277 requires that a copy of the Order to Show Cause ("OSC") be published in a newspaper of general circulation once a week for four consecutive weeks. No proof of publication has been filed. The Court notes a copy of a proof of publication attached to the Petition for an older case; this proof of publication is insufficient for the present case as it gave notice for a different case and hearing date entirely.
2. CCP § 1277(f) requires the Guardians to personally serve the parents at least 30 days before the hearing and if either, or both, parents are deceased then the living grandparents must also be personally served 30 days before the hearing. According to the information provided by the Guardians, the mother is deceased and therefore the OSC is required to be personally served on the father and the paternal grandparents. No proof of service is on file. Insufficient information has been provided to dispense with notice to these parties.

This matter is continued to **Monday, July 14, 2025, at 1:30 p.m. in Department 42** for further proceedings on the Petition for Change of Name. The Petitioners shall file an Amended Order to Show Cause for the continued hearing date. The Amended Order to Show Cause must be personally served on the father and paternal grandparents at least 30 days before the hearing. In the alternative, Petitioners can submit a declaration reflecting their efforts to locate and serve these individuals including their last known residences. Petitioner must also file a proper proof of service. **No appearance is necessary on today's calendar.**

GUARDIANSHIP OF LEONARDO BOUNLEUTTAY

Case Number: CVPG18-0029802

In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings regarding a Petition for Transfer of Venue filed by the Guardian on January 6, 2025. An Amended Petition has not been filed to cure any defects noted at the hearing on March 3, 2025. A Notice of Hearing has not been filed or served for today's

date on any individuals entitled to notice. **An appearance is necessary on today's calendar for status of an Amended Petition. Warning: Failure to appear on today's calendar will result in the issuance of an Order to Show Cause re: monetary sanctions in the sum of \$250.00.**

GUARDIANSHIP OF TRISTAN & KALEB FINONA

Case Number: 25PG-0032915

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person of minors, Tristan and Kaleb Finona. The Petition was filed by the minor's paternal grandmother and aunt, Justina Perez and Deemarie Perez. Letters of Temporary Guardianship issued on May 1, 2025. The Temporary Guardianship's powers are set to expire today unless further extended.

The paternal grandmother/Petitioner has signed a consent and waiver of notice. The Court will find the minor Kaleb to have been served as there is a temporary guardianship in place with Petitioners. The Court will dispense with notice to the deceased mother, father, and maternal grandfather. There is no proof of service of the Notice of Hearing for Tristan, the maternal grandmother, and siblings Taven, Keoni, and Kiana. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The parties may be served by mail. Prob. Code § 1511(c). For siblings under 12 years of age, service can be on the parent or guardian with whom the sibling resides. Prob. Code § 1460.1. Alternatively, the above parties can sign a consent and waiver of notice (GC-211, section 4), in lieu of being served.

The Court has reviewed the Court Investigator's report, filed May 20, 2025, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

This matter is continued to **Monday, July 7, 2025, at 8:30 a.m. in Department 42** for further proceedings on the Petition. The Temporary Guardianship is ORDERED to remain in effect until the continued hearing date. Petitioner is ordered to file and serve a new Notice of Hearing, along with a copy of the Petition, for the continued hearing date on the parties identified above. In the alternative, if Petitioner cannot serve the parties identified above, the Court will require a declaration explaining why they cannot be served and the efforts of Petitioner to locate and serve the parties identified, in order to permit the Court to dispense with notice to the parties. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**

GUARDIANSHIP OF DUSTIN LINCOLN

Case Number: 25PG-0032810

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for further proceedings on a Petition for Appointment of Guardian of the Person of Minor, Dustin Lincoln. The Petition was filed by the minor's maternal aunt, Lisa Kern. Letters of Temporary Guardianship issued on February 14, 2025. The Temporary Guardianship's powers are set to expire today unless further extended.

The mother, maternal grandmother, and minor have all consented and waived notice. The Court previously dispensed with notice to the deceased father. The paternal grandparents were timely served for a prior hearing date. Proper proof of service has now been filed for the maternal grandfather and siblings. The matter has been properly noticed. No objections have been raised. The paperwork appears to be in order. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

The Court has reviewed and considered the Court Investigator's report filed March 5, 2025, and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardian's discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. Annual Review is set for **Monday, June 8, 2026, at 8:30am in Department 42**. **No appearance is necessary on today's calendar.**

The Second Account indicates that the Guardian received a reimbursement from the estate of \$7,500 for house painting on October 1, 2022; however, the First Accounting filed February 22, 2023, indicated that Craig Miller Painting was paid the same amount (\$5,000 on March 29, 2022, and \$2,500 on May 31, 2022). A supplemental declaration must be filed evidencing that the \$7,500 paid to the Guardian as reimbursement was for different painting services than the \$7,500 paid to Craig Miller Painting. This matter is continued to **Monday, July 14, 2025, at 2:30 p.m. in Department 42** for further proceedings on the Amended Second Account and Report. **No appearance is necessary on today's calendar.**

Unfortunately, the courthouse experienced an emergency closure (see Administrative Order 14-2025), resulting in ICWA notices being mailed May 21, 2025. The mailing was not timely for today's hearing. The matter is continued to **Monday, July 14, 2025, at 2:30pm in Department 42** for further proceedings regarding the Status of ICWA and Potential Setting of a Hearing on the Petition. **No appearance is necessary on today's calendar.**

guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for Annual Review. The annual Confidential Guardianship Status Report has not been submitted. **The Guardian is ORDERED to appear at today's hearing and submit the Annual Status Report at the time of the hearing. Failure to do so may result in the issuance of an Order to Show Cause why Monetary Sanctions in the amount of \$250.00 should not be ordered for violating the Court's order to appear and to file the report.**

As to the Petition for Guardianship, the minor, mother, father, maternal grandmother, paternal grandmother, and sibling have consented and waived notice. The Court will dispense with notice to the deceased maternal and paternal grandfathers. The Petition for Guardianship has been properly noticed. No objections have been filed. The Court has reviewed the Children's Services Report filed May 27, 2025, that recommends the Petition be granted. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable. The Court **GRANTS** the Petition for Guardianship. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. The Guardianship will terminate by operation of law on the date the minor turns 21 years of age.

The minor, mother, and father have filed a waiver of notice as to the hearing on the Petition for Special Immigrant Juvenile Findings. The Petition for Special Immigrant Juvenile Findings has been properly noticed. No objections have been filed. The Court **FINDS** that the child has been placed under the custody of Rajesh Kumar, that reunification with the mother or father is not viable under California law because of parental neglect, and that it is not in the best interest of the child to be returned to India (the country of the child's nationality). A proposed order has not been lodged with the Court, as required under Local Rule 15.05. Case Number: 25PG-0032904

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person of minors, Matthew Seiglock, Stephanie Hanmore, and Danielle Hanmore. The Petition was filed by the minor's maternal aunt and her spouse, Kaitlyn Scruggs and Dustin McWells. Letters of Temporary Guardianship have not issued.

The mother, the minors Matthew and Stephanie, and sibling Alexis have all signed a consent and waiver of notice. The Court will find the sibling Lillian to be served, as she is currently placed with Petitioners. There is no proof of service of the Notice of Hearing for the father of Matthew, father of Stephanie and Danielle, maternal grandparents, paternal grandparents of Matthew, paternal grandparents of Stephanie and Danielle, or remaining siblings. The Court notes the proof of service filed May 23, 2025, for Cynthia Harris and Robert Harris is insufficient as it does not indicate a copy of the Notice of Hearing for today's date was served. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The parents must be personally served in order to move forward on the Petition. Prob. Code § 1511(b). All other parties may be served by mail. Prob. Code § 1511(c). Siblings can be served by mail. Prob. Code § 1511(c). For siblings under 12 years of age, service can be on the parent or guardian with whom the sibling resides. Prob. Code § 1460.1.

The Court has reviewed the Children's Services report filed May 20, 2025, and the Court Investigator report filed May 22, 2025, which both recommend granting the Petition. The Court will inquire whether the child is or may be an Indian child. If Petitioner has reason to know that the child is an Indian child, they must make further inquiry to learn about the child's Indian heritage.

This matter is continued to **Monday, July 14, 2025, at 8:30 a.m. in Department 42** for further proceedings on the Petition. Petitioner is ordered to file and serve a new Notice of Hearing, along with a copy of the Petition, for the continued hearing date on the parties identified above. Notice is preserved. No appearance is necessary on today's calendar.**

However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

Case Number: 25PG-0032894

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person of minor, Preston Stewart. The Petition was filed by the minor's maternal grandfather and his spouse, Charles and Vivian Stewart. Letters of Temporary Guardianship issued on April 21, 2025. The Temporary Guardianship's powers are set to expire today unless further extended.

The maternal grandfather/Petitioner has consented to the guardianship. There is proper proof of service on file for both siblings. The Court will deem the minor served as there is currently a temporary guardianship in place with Petitioners. Further, the Court will dispense with notice to the unknown father and paternal grandparents. There is no proof of service of the Notice of Hearing for the mother or maternal grandmother. The Court notes the proof of service filed May 1, 2025, for the mother is insufficient as it does not contain an original signature and fails to comply with CRC 2.303 and Local rule 15.19 to qualify as a "fax filing." The proof of service with the original signature may be filed or the mother must be reserved. Insufficient information has been provided to permit the Court to dispense with notice to these parties. The mother must be personally served in order to move forward on the Petition. Prob. Code § 1511(b). All other parties may be served by mail. Prob. Code § 1511(c).

The Court has reviewed the Court Investigator's report filed May 20, 2025, which recommends granting the Petition. The Court will inquire whether the child is or may be an Indian child. In the alternative, if Petitioner cannot serve the parties identified above, the Court will require a declaration explaining why they cannot be served and the efforts of Petitioner to locate and serve the parties identified, in order to permit the Court to dispense with notice to the parties. **Warning: Failure to properly effect service or provide adequate basis to dispense with service as to the necessary parties will result in denial of the Petition. Notice is preserved. No appearance is necessary on today's calendar.**
