

GUARDIANSHIP OF GAEA CAIN

Case Number: 24PG-0032591

Disclosure Re: guardianship cases involving Shasta County Health and Human Services Agency-Judge Wood discloses that her step-daughter, Erinn Watts, is the Administrative Branch Director of the Health and Human Services Agency. In that position, Judge Wood's step-daughter does not have any involvement in the investigation, management, prosecution or defense of guardianship cases. However, the Court makes this disclosure of an employment relationship between an investigating agency and the Court's first degree relative as required by California Code of Judicial Ethics.

This matter is on calendar for hearing on a Petition for Appointment of Guardian of the Person of minor Gaea Cain. The Petition was filed by non-relatives Audra and Alexander Siqueiros. Temporary Letters have not issued.

On September 23, 2024, the Court found that the matter had been properly noticed, however, the mother informed the Court that the minor may be an Indian child. The ICWA-010(A) and ICWA-030 forms were filed on October 1, 2024 and notice under ICWA was provided on the same date. No response has been received.

The Court has reviewed and considered the Children's Services report filed September 11, 2024 and agrees with the recommendation to grant the Petition. The Court **FINDS** it would be detrimental for the child to be with either parent or any parent objecting to the guardianship, the guardianship is in the child's best interest, and the guardianship is necessary and convenient. The proposed guardian is suitable.

The Court **GRANTS** the Petition. Visitation shall be at the Guardian's discretion. A proposed Order Appointing Guardian has been lodged and will be executed by the Court. Annual Review is set for **Monday, November 3, 2025 at 8:30 a.m. in Department 42.** **No appearance is necessary on today's calendar.**
