PREGRANT ORDER

This matter was continued from September 24, 2025, October 23, 2025, December 18, 2025 March 2, 2026, and April 29, 2026. At the last hearing the court ordered:

- Personal representative shall file and serve amended or corrected inventory and appraisal forms that accurately reflect 1) the schedule of all assets received by the personal representative from Stephen Galloway's Trust and 2) that accurately reflects all assets in John Galloway's estate as of his date of death.
- To the extent assets have been liquidated (thus making it difficult for the probate referee to appraise), counsel should work collectively with the probate referee to provide whatever information is necessary to allow for valuation. The court expects everything that was in the estate as of the date of John Galloway's death to be accurately reflected on a corrected inventory and appraisal in the form that it existed at the time of death, including assets that were subsequently liquidated.
- The personal representative shall prepare, file, and serve a full and complete accounting that is code-compliant with Probate Code Section 1060, et sec. and shall include all relevant schedules. · The accounting and corrected/amended inventory and appraisal forms are due no later than July 10, 2026.

Nothing has been filed by the petitioner as yet. The court has reviewed the Status Report filed by the Objectors.

Parties and counsel to appear as required by Solano Local Rule 7.9 b. Remote appearances are approved.
