First and Final Report of Administrator on Waiver of Account and Petition for Final Distribution

PREGRANT ORDER

The court on its own motion continues this hearing to September 17, 2026 at 9:30 a.m. in Department 22. Pending the continued hearing, the petitioner shall resolve the following issues:

1. Petition, ¶22: The addresses for each heir must be provided. (Solano Local Rule 7.66 d.)
2. Petition, ¶24.A: There was no summary showing the value of the estate to be distributed to each heir. The petition states that the real property is to be distributed 50/50 to Kara Larocco and Caison Montgomery. A petition for final distribution must provide the detailed description and value of the estate to be distributed. (Solano County Local Rules, Rule 7.66(b).) Stating the percentage to be distributed to each heir is insufficient. If real property is to be distributed, the street address and the legal description must also be provided.
3. Petition, ¶24.B: The petition seeks to distribute household furnishings and belongings to the petitioner. However, there were no such assets accounted for on the inventory and appraisal for the court to make such orders for this distribution.
4. Petition, ¶24.C: The petition seeks to distribute the Capital One Savings account to the two heirs equally. However, there was no such asset accounted for on the inventory and appraisal for the court to make such orders for this distribution. If the petitioner marshalled a bank account, the asset must be accounted for in the final accounting and proposed values must be provided.
5. It is unclear why there is a Declaration of Kara Larocco stating that the attorney was hired to provide legal services to her mother's estate, Donna Jean Bush. The petitioner shall explain.

PREGRANT ORDER

This matter was continued to allow the petitioner to address issues with the petition. The court notes a Second Final Report was filed which the court interprets to be an amended petition. Amended petitions replace all prior petitions for all purposes. After review of the Second Final Report, there were no issues identified. Therefore, absent any objections the court intends to find the following:

The court finds all notices have been given as required by law. The second amended petition is granted as prayed except that release of liability and discharge shall be ordered
