Estate of Jennifer Ann Graham

26PR00350

Probate of Will & Admin WWA

Tentative Ruling: NO APPEARANCES REQUIRED. This matter is CONTINUED to August 7, 2026, at 9:30 a.m. in Department 12. Please refer to the Probate Examiner Notes, which do not pertain to the petition for letters of special administration of Don Graham, which was already granted. They pertain to the petition for probate filed by petitioner Reginald Hindley on March 19, 2026. Petitioner Hindley should also note Local Rule 6.2.C.2.c, which as of July 1, 2026, limits continuances for procedural defects to two before a matter will be dismissed without prejudice.

As to the letter of special administration issued to Don Graham, on May 22, 2026, the Court ordered an expiration date for the existing letters of special administration. The Court generally will not empower a representative of the estate for the entirety of related litigation via only letters of special administration. However, in light of the information provided in the status report filed June 16, 2026, the Court has reconsidered and finds it appropriate to do so here. It therefore vacates its order of May 22, 2026 imposing an expiration date. The letters of special administration shall expire upon the conclusion of the related litigation as specified in the original order granting the letters or further order of the Court. Matter is SET on the case management conference calendar on May 20, 2027 at 3:00 p.m. in Dept. 63 for update on related litigation and possible termination of letters of special administration. Special administrator is ordered to file an update on status at least seven days prior to the hearing.
