Matter of Virginia I. Knudsen Trust

26PR00303

Verified Petition to Invalidate Trust Amendment and Will; for Recovery of Trust Property; for Financial Elder Abuse; and for Disqualification of Abuser

Tentative Ruling: NO APPEARANCES REQUIRED. The Court is aware of the request for trial setting. However, the Court is not inclined to set a matter for trial before the pleadings are settled. An oral objection alone at the time of the hearing pursuant to Probate Code section 1043 would not suffice. In light of the information in the statements of issues, and to conserve the resources of the parties, the Court instead orders that any objection must be filed and served no later than July 20, 2026, or shall be waived. CRC Rule 7.801. Matter is CONTINUED to a case management conference hearing on August 6, 2026 at 3:00 p.m. in Dept. 12 for trial setting. The Court notes it has no availability in November or December of this year and encourages the parties to meet and confer about a trial date in 2027.
