Estate of Lester Hollenback

25PR00200

Account & Report

Tentative Ruling: NO APPEARANCES REQUIRED. In the absence of an objection, the petition is APPROVED. The Court notes that most of the expenses claim for reimbursement by the administrator appear to disproportionately benefit only those heirs living in the residence with no offset for rent due to their exclusive use of the real property. As no liquid funds are listed in the estate, it is also not apparent from where the "reimbursement" will come. The Court does not authorize an encumbrance on the real property as part of the distribution order.
