First Account and Report of Trustee of the Jennifer K. Hale Revocable Trust; Petition to Settle Account; Petition to Fix & Allow Trustee's Attorney Fees; and Petition for Authority Invest Trust Funds in the Purchase of an Interest in A Personal Residence for the Beneficiary

Tentative Ruling: This matter is CONTINUED to November 6, 2026 at 9:30 a.m. in Department 63, for the reason set forth below.

The confidential financial statements lodged in support of the accounting reveal a \$200.00 discrepancy in the value of the Wells Fargo Checking #8356 as of January 31, 2026. The account statement shows the balance on January 31, 2026 was \$119.36, but the accounting shows the account held \$319.36. The petitioner is directed to file and serve, at least seven (7) court days in advance of the continued hearing, a verified supplement addressing this discrepancy. If the petitioner can file a verified supplement in advance of the hearing, and requests to appear at the hearing in accordance with all local rules, the petitioner may appear at the hearing to present the verified supplement to the Court and/or discuss the issue with the Court, potentially avoiding the continuance.
