Matter of Patricia Joann Kitsman Trust

25PR00024

Third Amended Petition to Determine Ownership to Property

Tentative Ruling: APPEARANCES REQUIRED for trial setting. Discovery has been ongoing in this matter for some time, the original petition was filed in January of 2025, and there have been a number of prior meet and confer efforts related to the demurrers. Now that the pleadings are settled the Court is inclined to set the matter for trial. The Court is also inclined to select a trial date that gives the parties enough time to complete discovery and explore alternative dispute resolution. Counsel for the parties should be prepared to discuss trial availability and estimates for length of trial.
