Guardianship of Amelia Sophia Panoski

SPR87247

Termination of Guardianship

TENTATIVE RULING:

APPEARANCES ARE NOT REQUIRED. The court has received and considered the Petition for Termination of the Guardianship as well as the Report of Court Investigator Re: Petition for Termination of Guardianship. In light of the petition request, the Court orders Minor's Counsel to prepare and file a report and recommendation, to include any objection to the petition, to be filed not later than September 30, 2026.

The Court notes the Court Investigator's report states the guardian and the ward's mother have both orally indicated their objection to the petition. Pursuant to Local Rule 6.2(F)(1), any party objecting to the petition is ordered to submit their objection in writing. As at least two parties have already made their intention to object known, and, as the matter is already being continued to permit the filing of a report from Minor's Counsel, the Court orders that any written objection by any party be filed no later than September 30, 2026. Absent extraordinary circumstances, any written objection filed after September 30, 2026, will be deemed untimely and not considered. Pursuant to Local Rule 6.2(F)(2) & (3), should any party file a written objection to the petition, they are ordered to comply with the meet and confer requirement prior to the next court date.

The matter is CONTINUED to October 20, 2026, at 9:30 a.m. in Department 61. All prior orders remain in full force and effect.
