Matter of the Lucienne Lanson Charitable Remainder Trust

25PR01374

Petition to Appoint a Successor Trustee of the Lucienne Lanson Charitable Remainder Trust, Dated November 21, 2005

Tentative Ruling: The verified supplement filed June 23, 2026 shows the trust holds a Morgan Stanley account worth \$1,264,509.79 and that the trustee has obtained a bond in the same amount. The supplement does not expressly state that the Morgan Stanley account is the sole trust asset. Bond in an amount equal the value of the trust res is required. The petitioner may file a verified supplement in advance of the hearing indicating that the Morgan Stanley account is the sole trust asset. If the petitioner does this, the petition will be granted and the Court will sign the proposed order lodged June 23, 2026. If the trust has other assets, or if the petitioner is otherwise unable to file the additional verified supplement, APPEARANCES ARE REQUIRED to discuss the matter with the Court. If necessary, the Court may continue the matter again to allow for the filing of the additional verified supplement addressing the correct amount of bond.
