23PR00242

Case Management Conference

Tentative Ruling: NO APPEARANCES REQUIRED. This matter was initiated in 2023. This is the second Order to Show Cause (OSC) issued to the administrator. This is the fifth status hearing in this matter since letters were issued. There has been no response to the OSC and no change in the status of the case reflected in the court filings. The administrator is removed effective the date of this hearing and letters are revoked. He is not discharged and shall remain personally liable for any losses sustained by the estate as a result of breach of fiduciary duty to the extent allowed by law and supported by the facts. This matter is CONTINUED to September 10, 2026 at 3:00 p.m. in Dept. 63. At that time the case will be dismissed unless a petition for appointment of a new administrator has been filed at least seven days before the hearing. The Court will require bond for any newly appointment administrator.
