Matter of Alberta I. Goetz Trust

24PR00959

Case Management Conference

Tentative Ruling: APPEARANCES REQUIRED for trial setting. This case was initiated almost two years ago. This is the seventh time it has been on calendar. The recently filed statement of issues indicates the parties continue to exchange information to narrow the issues in dispute, which the Court encourages to continue. However, the Court will set a trial date at this time, likely the first quarter of 2027, which will still give the parties time to meet and confer and mediate if they so choose. Counsel should be prepared with time estimates and trial availability.
