Matter of Robert C. Vance, Delores K. Vance Trust

24PR00237

Discovery Motions

Tentative Ruling: The four discovery motions filed February 26, 2025 are DENIED without prejudice. These motions have been continued numerous times on account of the parties' efforts to resolve the dispute informally. The present hearing is for status of mediation and possible re-setting of motions. The Court's March 19, 2026 ruling directed the parties to file status updates, but none have been filed. Given the absence of any status update, or any other indication that these motions must proceed, and also considering the age of the motions, the Court will simply deny the motions without prejudice at this time.
