Matter of J.R. Goodrich Fire Trust

26PR00369

Petition to Remove Trustee; Appoint Successor Trustee; Compulsory Accounting; and Turnover of Trust Property

Tentative Ruling: The matter is CONTINUED to November 6, 2026 at 9:30 a.m. in Department 63, for the reasons set forth below.

The declaration of John Goodrich in support of the petition refers to Exhibits A through C but no such exhibits were provided. Importantly, no trust instrument was provided, as required by Sonoma County Local Rule 6.8.A. Without reviewing a copy of the trust, the Court cannot proceed to decide any issues raised by the petition.

The opposition is not verified as required by California Probate Code §1021(a)(2). The Court will strike the opposition pursuant to California Code of Civil Procedure §436(b) if this issue is not rectified in advance of the continued hearing.

The Court is aware a new petition was filed on July 13, 2026 and set for hearing on November 6, 2026. It also is unverified and subject to being stricken if this is not corrected.

For the benefit of both parties, the Court notes that this county does not maintain a list of individuals for appointment as trustee, and instead relies on the parties to nominate successor trustees, accompanied by the nominee's consent to accept the trust.

As this is a contested matter, the parties are ordered to meet and confer in compliance with local rule 6.2.F.2 and file statements of issues in compliance with local rule 6.2.F.3 at least seven (7) court days in advance of the continued hearing.
