Spousal Property Petition

Tentative Ruling: NO APPEARANCES REQUIRED. The Spousal Property Petition is GRANTED in part and DENIED in part. The Court confirms the one-half survivor's interest: The Petition is GRANTED as to part 7b.

The Petition is DENIED as to property determined to pass to survivor, part 7a, as it passes to the trust. See Probate Code section 13501(b) and Probate Code section 850.

Petitioner is to submit a new proposed order that conforms to this ruling and incorporates the one-sixth interest in the property as stated in the Grant Deed.
