Guardianship of Julian Dominguez

26PR00542

Appointment of Guardian

TENTATIVE RULING:

APPEARANCES ARE REQUIRED if the Petitioner desires the guardianship be granted. Based on the contents of the court file it appears the Petitioner does not desire to actually pursue a guardianship. The petition itself is sparse and does not articulate sufficient basis to implement a guardianship over the ward. Additionally, at least one biological parent is opposed to the guardianship. Should the Petitioner choose to pursue the guardianship, she is to appear so the matter may be set for an evidentiary hearing. If the hearing will take less than twenty (20) minutes, it may occur at the time the case is called. However, all parties must be prepared to give a good faith estimate as to the likely length of the evidentiary hearing. If any party's time estimate exceeds twenty minutes, the Court will specially set the matter for an evidentiary hearing at another time convenient to the Court and the parties. All parties should also be prepared to identify a reasonable date for the exchange witness lists and documents (if any) which he/she/they intend to submit for the Court's consideration at the evidentiary hearing. Finally, all parties are hereby advised that strict compliance with local rules will be required. They should take special review Local Rules 6.2.F. which requires, among other things, that parties meet and confer for purposes of making reasonable efforts to informally resolve any controversies and to file Statements of Issues or Settlement prior to an evidentiary hearing.

Should the Petitioner no longer wish to pursue the guardianship, NO APPEARANCE is required, and the Court will deny the petition on its face.
