Conservatorship of Samantha J.M. Brunner

SPR84616

Review

Tentative Ruling: NO APPEARANCES REQUIRED. Having reviewed the report of the court investigator, the report of counsel for the conservatee, and the response by the conservators, the Court finds that the conservatee does not meet the criteria for a conservatorship of the person, under Probate Code [PrC] §1801(a). The probate conservatorship is terminated forthwith and letters revoked.

The Court refers this matter to the Sonoma County Public Conservator for the purpose of it conducting an investigation into the appropriateness of an LPS conservatorship, and to then take whatever action it finds is appropriate and required by law. In conducting its investigation, the Court orders that the Sonoma County Public Conservator's office shall have access to all documents filed in this case, including ones filed as confidential. A copy of these minutes shall be provided by the clerk to the public conservator's office.
