Estate of Vincent Troy Helper

26PR00271

Letters of Administration

Tentative Ruling: APPROVED as stated below. NO APPEARANCES REQUIRED.

At the 6/18/26 hearing, attorney Reid Harada appeared on behalf of Tasina Helper to raise oral objections. The Court ordered that any objections must be filed and served no later than 7/17/26 or objections would be deemed waived. As no objections were filed by 7/17/26, any objections by Tasina Helper are deemed waived.

The Court notes that the Affidavit of Publication filed 4/26/26 does not include a request for Administration with authority under the Independent Administration of Estates Act (IAEA). The Petition for Administration is therefore APPROVED but without any authority under the IAEA. No bond is required as all heirs waive bond. Petitioner is to file an Inventory and Appraisal within four months of issuance of letters (Prob. Code section 8800(b)) and either a petition for an order for final distribution of the estate or a report of status of administration within the timeframe set out in Probate Code section 12200.

The matter is SET on the September 30, 2027, probate case management conference calendar at 3:00 p.m. in Department 63 for status of estate or final account and distribution. No appearances at the hearing will be required if the court determines that administration of the estate is timely proceeding, or good cause is shown why more time is required.
