County: stanislaus

Division: Probate

Department: 22

Hearing date: 2012-04-02

Motion: a-b) The Court has reviewed Petitioner’s supplemental declarations filed on August 17, 2026, which substantially narrow the motions. The Court finds the parties have made meaningful progress in narrowing the issues but that further targeted meet-and-confer efforts may resolve some or all of the remaining disputes without the need for formal Court intervention. Accordingly, the Court CONTINUES these motions to October 8, 2026, at 8:30 am in Department 22. No later than September 14, 2026, counsel and the self-represented Petitioner shall meet and confer in person or by videoconference regarding Requests for Production Nos. 4, 9, 10, 12, 17, 18, and 19 and Special Interrogatory Nos. 1, 2, 24, 25, and 26. Respondent shall advise whether additional responsive documents exist, whether all responsive documents have already been produced, and whether any supplementation can be provided voluntarily. The parties shall file and serve by September 24, 2026, a joint status report, or separate status reports if necessary, identifying which requests remain in dispute and the specific issues remaining for Court determination. The Court reserves ruling on the merits of these motions pending completion of these additional meet-and-confer efforts.
