County: stanislaus

Division: Civil Law and Motion

Department: 23

Hearing date: 2012-04-02

Motion: a-b) The Court finds the parties' meet-and-confer efforts to be insufficient under the circumstances presented herein. Further, the Court believes that the potential exists for the parties to informally resolve or substantially narrow the subject issues if genuine efforts to meet and confer are undertaken in good faith. Therefore, the hearing is continued, as above, for that purpose, and the parties are ordered to meet and confer in person or by online video conference to discuss the issues herein. The parties are further ordered to submit a Joint Status Statement by September 1, 2026, describing their efforts to meet-and-confer and any resolution or narrowing of the issues they were able to achieve. Discovery is intended to be self-executing, and good faith communication should involve serious efforts at informal negotiation and resolution, not mere bickering between counsel. (See, e.g., *Townsend v. Superior Court (EMC Mortgage Co.)* (1998) 61 Cal.App.4th 1431; *Obregon v. Superior Court (Cimm's, Inc.)* (1998) 67 Cal.App.4th 424.) The Court expects the parties to make genuine efforts to informally resolve their differences with due civility to one another and to demonstrate their best efforts in this regard. Lastly, if the parties are unable to demonstrate significant progress toward informal resolution of the issues herein by the time of the continued hearing, the Court will consider the appointment of a discovery referee to manage discovery and reduce the burden on the Court and the parties.
