County: stanislaus

Division: Family Law

Department: 25

Hearing date: 2026-08-19

Motion: Petitioner's Request for Order re Spousal Support, etc.—HEARING REQUIRED, in part; DENIED, without prejudice, in part. The spousal support and temporary vehicle control requests are not eligible for tentative ruling as they require a hearing. The request regarding "omitted assets" is denied without prejudice. An omitted asset or debt is one that was not adjudicated by the Court or settled by the parties in the final judgment of dissolution. This case was only recently filed and no judgment has been entered. As such, there can be no omitted assets as a matter of law. (Fam. Code, § 2556.) If, instead, Petitioner believes that Respondent has failed to disclose or is concealing marital assets or debts, other legal procedures exist to discover, identify and address non-disclosure, but the Court must remain neutral and may not give legal advice to either party. Petitioner may wish to seek legal advice at her own expense but is also welcome to contact the Court's Self-Help Center for free assistance with legal forms and procedures that do not require legal advice.
