County: stanislaus

Division: Family Law

Department: 14

Hearing date: 2026-07-28

Motion: Petitioner's Request for Order re "Reimbursement," etc.—HEARING REQUIRED. Proof of personal service on Respondent is on file and reflects presumptively valid and timely notice and service in compliance with Family Code section 215 and the Rules of Court. Respondent did not file a Responsive Declaration or other opposition. That said, Petitioner is represented and while the request is termed "reimbursement," it is functionally a request to adjudicate the allegedly wrongfully withdrawn funds as an omitted asset. (Fam. Code, § 2556.) As such, there are factual questions and findings the Court must make in order to adjudicate an omitted asset or debt that would typically exceed the time allotted to a short-cause law and motion matter. This is particularly true where a further request is made that the Court impose sanctions and/or make an award of attorney's fees and costs. The parties shall appear and may address the Court as to whether this matter requires a long-cause evidentiary hearing.
